Happy 1st Anniversary Tri-Five Revolution

August 21st will be our one year anniversary! Boy does time fly by and we certainly have had an exciting time. Many great cruises, car shows, out of town road trips, not to mention winning a few trophies, fun tech days, get togethers at each others homes and some pretty spectacular parties. Looking forward to many, many more.

Cruisin' Grand

T5R Night

Friday, August 21 - 4 to 9

Geiman Motors will be the
sponsor that night.

Meet there anytime after 4:00 pm. We will be parking on the north side of Broadway and Grand just behind the T-shirt salesbooth (*the same side where they park the Cruisin Grand Winners.*) You enter that area from the alley behind Filippi's Pizza Grotto. Bring your own chairs and drinks. Tom and I will be providing a table, an anniversary cake, plates and forks. We will be going to the La Tapatia Mexican Restaurant at 5:00 pm for dinner, please rsvp Nancy Geiman if you plan to join us. Hope to see everyone there!

Mike's Musings

If you haven't read my postings (*you should be looking at these*) on the web page, here is what happened at the Awards Ceremony at the Nomad Convention. JD and Dana won First Place in the Modified Division and were also awarded by "Popular Demand" Best of Show Modified (*this is a very big deal*). Their car looked great (*just like it always does*) and they were clearly the class of the field. I'm sure when they get home you will hear more about their trip and their adventures. For our part, the weather was perfect, good times with friends from around the country, and great views of Boise and the surrounding area. We had a great time, but we missed home and ended up driving two ten hour days to get back.

One side note, we stopped at a small town in southern Idaho (*Jerome*) to look at a junk yard we saw along the Freeway. It was closed so we found a place to eat breakfast in the center of town. Behind the counter was a hand written sign saying "George Washington didn't defeat the enemy by using the second amendment, he killed them". In the same town, but a different junk yard, there was a similar hand written statement taped to the counter. These people take patriotism very seriously.

We're glad to be home and we'll see you all very soon.

Be Safe,

Mike and Pat

July 29th

Another fun Wednesday night at Chicken Pie Diner. Thank you to all who came out on this last minute impromptu cruise. I really needed a night out with some good friends.

Congratulations! Tom and Nancy the winners of the favorite car for the evening.

Steven's Travels

JD and I drove the Nomad to the Nomad Convention in Boise, Idaho. The Convention was July 12-17. It's such a small world, we stayed in Winnemucca, Nevada where we ran into Mike and Pat Harvey while eating breakfast, so we followed them into Boise.

We toured the area and of course we found ourselves in the Idaho State Pen. The good ol' days when crime didn't PAY!!!!!! Then we toured the Sawtooth National Forest and rode on a boat on Redfish Lake

After the convention we made every effort to avoid Highways founding ourselves on two lanes and taking in the beauty that Idaho, Oregon and Washington can offer. We drove the Hwy. 30 which is part of the Lewis and Clark Oregon trail that parallels the Columbia River and up to the base of Mount Hood for some pictures.

In Battle Ground, Wa. we stayed with some Nomad friends. From there we both drove our Nomads up to Puyallup, Wa for the 21st. annual GoodGuys show held on July 24-26. That Friday we did the Poker Run and on Saturday back to the show for the day. Approx. 2900 plus cars were displayed through out the fair grounds. Pretty good show.

We left Sunday for Port Angeles, Washington. There we will put the Nomad on a Ferry and head over to Vancouver Island, Canada for a few days and tour the famous Butchart Gardens among other tourist attractions in the area.

That's all we have for now and will see you all soon....Take Care

J.D and Dana

P.S. At the conventions awards ceremony, we received 1st place in 1956 Modified and People Choice Award for all years Modified Trailered and Driven.

King of Clubs & Rockabilly Road Trip at the Barona Drags

The Lifter's car club put on a great event on Saturday, July 25th. Even though Lakeside can be a little warm and dusty we enjoyed a swapmeet, lots of vendors, cool cars and of course drag racing. Bob found a new Offenhauser manifold for a really good price and I snatched up some 50's ceramics. We didn't stay for the whole thing but Missy had a great time with her Lifter friends at the concert that lasted till 1am. It's really great to see the younger generation continuing the custom car collector hobby.

On the Road Again

Iowa 80 - The World's Largest Truck Stop

Three-and-a-half weeks into Roadtrip 2009, we have yet to find a car show and have seen very few classics along our travels through Arizona, Colorado, a corner of Wyoming, Nebraska, Iowa, Illinois, Indiana, Ohio, Pennsylvania and New York. One highlight, Iowa 80, the World's Largest Truck Stop. Besides the usual countless gasoline bays, fast food options, showers and souvenirs, Iowa 80 offers a dentist, chiropractic services, a movie theater and thousands of square feet of truck supplies, accessories and related "stuff". There are hands-on displays of steering wheels and bottom-on displays of driver's seats all aimed at the countries long haul road warriors.

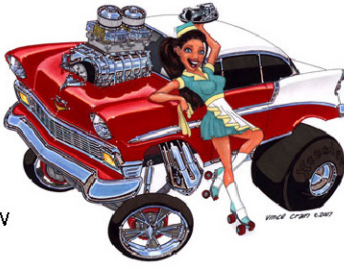

Red Line Drive-In Chautauqua

As in many parts of the country, classic car enthusiasts in western New York state have only a short season to actively enjoy their passion. The 50's-themed Red Line Drive In along the shore of Chautauqua Lake is only open for 90-some days each year, Memorial Day to Labor Day. But if you're in the area, stop by for some good food (Harvey and I will vouch for the grilled cheese sandwiches, waffle fries and cokes enjoyed after a rainy walk through the grounds of the famed Chautauqua Institute.) and car fun. Each Wednesday night is Cruise Night.
