THE BEL AIR 4-DOOR SEDAN

**Chevrolet's 3 new engines
put new fun under your foot!**

You've got the greatest choice going in the Motoramic Chevrolet! Would you like to boss the new "Turbo-Fire V8" around . . . strictly in charge when the light flashes green . . . calm and confident when the road snakes up a steep grade? (Easy does it—you're handling 162 "horses" with an 8 to 1 compression ratio!) Or would you prefer the equally thrilling performance of one of the two new 6's? There's the new "Blue-Flame 136" teamed with the extra-cost option of a smoother Powerglide. And the new

"Blue-Flame 123" with either the new standard transmission or the extra-cost option of new Touch-Down Overdrive. See why Chevrolet is stealing the thunder from the high-priced cars? It has that high-priced, high-fashion look and everything good that goes with it—power, drives, ride, handling ease, *everything*. Let your Chevrolet dealer demonstrate how Chevrolet and General Motors have started a whole new age of low-cost motoring! . . . Chevrolet Division of General Motors, Detroit 2, Michigan.

Stealing the thunder from the high-priced cars! Motoramic

The Mopar Club of San Diego held their annual All American Car Show again this year, however the show was in July instead of September. It was held at Embarcadero Park North at Seaport Village instead of the Skyline Church in La Mesa, which is a much more desirable location for a car show. All proceeds still benefit the San Diego military, including Wounded Warrior Homes and Fleet Week San Diego.

We arrived just before 8 am in our convertible along with the Geiman's in their blue flamed '55 Hardtop. It was a very nice cool day with overcast skies until after noon and a nice sea breeze most of the time. Last year's show attracted around 100 entries. With this location, there were about 330 entries, making for a much better show and I suspect a lot more money for their charities. There were a few vendors, a nice size raffle, a 50/50, a DJ playing tunes all day, and a lot of eye candy, especially if you like muscle cars. I saw a lot of cars that I haven't seen at every other show in the San Diego area. In addition to the Mopar club member cars, there were quite a few other Mopar entries along with a bunch of Chevilles and Camaros. The quality of most of the cars was extremely good and I'm sure that made it difficult for the judges to pick the winners.

There were quite a few general raffle prizes as well as numerous small buckets to put tickets in for specific items, and a 50/50 raffle. It was a lucky day for Linda and me, as we won seven raffle prizes on the first draw and one more on the second draw.

We were also tasked with picking our top ten favorite cars for the people's choice awards, turning our ballots in by noon. There were numerous other awards for specific categories, and an Armed

Forces award for active duty and reserve service members. The awards were scheduled to be announced at 2:30, but they started early at 2 pm, and the show was over just before 3 pm. Quite a few people were taking the opportunity to take photos of their cars with the scenic background offered by the Embarcadero, however, everyone was told they needed to leave as the Port Authority put a strict time limit on the use of the area. The Mopar Club always puts on a really nice show, and

it was certainly well attended this time. It's a great place to spend the day on an otherwise hot summer day.

Fourth of July Wheels of Freedom Car Show

Submitted by Wayne Hartwig

It's the Fourth of July, also known as Independence Day. It has been a federal holiday in the United States since 1941, but the tradition of Independence Day celebrations goes back to the 18th century and the American Revolution.

On July 2nd, 1776, the Continental Congress voted in favor of independence, and two days later delegates from the thirteen colonies adopted the Declaration of Independence, a historic document drafted by Thomas Jefferson. From 1776 to the present day, the Fourth of July has been celebrated as the birth of American independence, with festivities ranging from fireworks, parades and concerts to more casual family gatherings and barbecues.

The Poway Cruisers Car Club has been celebrating the Fourth of July with the "Wheels of Freedom Car Show," as part of the "Spirit of the Fourth Celebration" in Rancho Bernardo at Webb Park. There was no entry fee, but pre-registration was still required, as the show was limited to 130 cars and trucks. The show was open to all years and makes of vehicles.

Four of our Tri-Five Revolutionaries signed up for the show, Joe & Donna Keller with their '57 Chevy wagon, Dana Stevens with her '56 Nomad, Tom & Nancy Geiman with their '63 Chevy convertible, and Linda & me with the '55 Chevrolet convertible. We met at 7:30 in the Vons parking lot just up the street so we could all go in together and park together. Bob Brown arrived a bit later in his '57 hardtop, but his plans for the day required him to leave early. Shortly after getting parked, most of us walked across the street to IHOP for a hearty breakfast before returning to the show.

There were numerous food vendors and other vendors selling various items along the pathways to the pond. There were festivities with the boy scouts carrying state flags to honor the thirteen original colonies, a Veterans Memorial Service, and other celebrations including a Patriotic Pets Contest. There were no raffle prizes, but there was a 50/50 raffle. All entrants received a voting sheet to vote for their favorite five entries and one for best decorated car or truck. There were fifteen "Award of Excellence" trophies, "Best of the Poway Cruisers Award", and a "Best of Show"

award. Our convertible and Dana Stevens Nomad were recipients of an "Award of Excellence" plaque. It was a very nice show with quite a few celebrations going on throughout the day and there was a parade after the show. It was a patriotic way to celebrate the Fourth of July.

This change is only for the month of August.

Fundraiser for the Garden of Innocence

Submitted by Wayne Hartwig

On June 26th, a car show was held at El Camino Memorial Park in Sorrento Valley to raise funds for the San Diego Garden of Innocence. For many years, the Garden of Innocence has been providing dignified burials for abandon babies. Statistics say that over 7000 children are abandoned yearly in the United States. Abandoned children are placed in the indigent program per individual counties and buried in mass graves in a potter's field. We all want to stop that and to declare abandoned children the dignity of a name on the lawn to let you know that they were once here. Even if for a moment!

The Garden of Innocence is doing their best to help with the burials of these children and to recognize all the children that have not been given a dignified burial. They believe "If no one grieves, no one will remember!" San Diego is their largest garden with room for over 500 babies. Currently they do full burials in San Diego but eventually they will need to switch to cremations. But for now, they use only Caskets in the San Diego Garden of Innocence. This is why it is so important to raise funds in support of the program.

Their annual car show is a really nice event where we can enjoy a wide variety of classic vehicles and it provides for an excellent opportunity to help raise much needed funds. The show is held in the parking lot at El Camino Memorial Park. This year's show included food trucks, lots of raffle prizes, a 50/50 raffle and awards for entrants. Live music was provided by The Hot Rod Trio. Several local Lowrider clubs like "The Crowd", the "Black Lowrider Club" and the "Impala Club" graciously provided personnel to handle registration, parking, the raffle, and the awards to help make this event a success.

Linda and I decided this show supported a really worthy cause and we registered the convertible. When we arrived, other participants were making their way in and a majority of the parking was under huge solar panels erected over the top of the parking, making for great shade. As you may expect, about half or more of the entries were lowriders since their clubs were helping to put on the event.

When we went to buy raffle tickets, we saw numerous tables with lots of goody basket prizes and one table with sixty "Award of Excellence" plaques and five huge five-foot tall trophies for different categories. I told Linda I hoped not to win one of those tall ones. Well, wouldn't you know it, before I could even finish detailing the car, it was a lot of people who everything about it an eye, they took my and said don't leave what that meant. they were giving a slip of paper and out to pick their one and to bring them placard. Those sixty the winners of the Excellence" trophies.

surrounded by wanted to know and in a blink of window placard early. We knew Later, we heard random people sending them favorite vehicle the window selections were "Award of

Muscles "Off" Main Street

Submitted by Wayne Hartwig

On Saturday, July 9th, the Pride of Vista Lions Club Foundation hosted a car show at Guajome Park Academy in Vista. Their motto is "We Serve." Chartered in 1992, the Pride of Vista Lions Club serves the community through a variety of projects. Their earliest community endeavors included purchasing and installing playground equipment at Olive Elementary and painting at Lifeline Community Center and Girls, Inc. Now, they support many programs to serve the Vista community. Their Sight Program provides eye exams and eyeglasses as needed to Vista students. They also serve adults referred through local nonprofits. Since 2003, they have provided over 700 eye exams to students and adults. In addition, recycled eyeglasses are refurbished and distributed to people who need them.

The Muscles on Main car show was created a couple years ago to raise additional funds for their programs and up until now has been held on Main Street in downtown Vista, hence the name "Muscles on Main Street." It started as a small show with around 40 entries. However, it has been growing, which is why there was a change of location to Guajome Park Academy for this show, dubbed "Muscles off Main Street." For a \$30 entry fee prior to July 1, entrants received a goody bag with a T-shirt, and one free pancake breakfast. A raffle with about twenty prizes and a 50/50 drawing were on the schedule too. A DJ played a nice variety of music all day.

This show attracted about 80 entries, and vehicles were parked in every other parking space, making for plenty of room for chairs and pop-up shade. We arrived just after 7:30 am and picked a nice space near the main area to set up. Tom & Nancy Geiman arrived a short while later in their green & white '62 Impala Hardtop. We participated in the pancake breakfast, which was one of the better ones we have ever had at a car show. Then we bought some raffle & 50/50 tickets and eventually made our way around to see the rest of the cars and visited a bit with people we knew or met at the show. My stepbrother Kent arrived around 10 am to see the show and to visit with us for the day. Before long it was lunch time. They offered a hot dog or a hamburger with a bag of chips for a mere five bucks, which was good considering there was no place else around there to get food.

The best part of the show is that they did the raffle and award presentations just after noon, so we didn't have to hang out there all day. Tom won a free car wash, which he gave away to someone who actually wanted it, but the rest of us weren't raffle lucky. However, there was still hope for a 50/50 win. We've been buying 50/50 tickets for many years but have never been lucky enough to win one. Luck was about to change. The 50/50 was \$125 to the winner and I could hardly believe it when I realized I finally had a winning ticket. But I didn't take the money. Instead, I donated it back to the Lions Club to help with their charity work. I felt like it was a win, win for everyone. A Halloween version of this car show will be back on Main Street later this year. Come on down for a ghoulish good time.

BIG BEAR FUN RUN 2022

The Big Bear Fun Run™ is a three day car show held in the Village of Big Bear Lake California. The event includes about 500 pre-assigned parking spaces, a Saturday afternoon 'Cruise Around the Lake' and a Sunday morning drive through awards presentation. The 2022 event will be the 31st annual show. Over the years the show has earned a very favorable reputation. The Fun Run is always held over the second weekend in August. The streets are generally full of spectators, and a summer shower may develop. This is a fun event.

Located in the Big Bear Lake Village

August 12, 13 & 14

Proceeds benefit local charities

BBLACC is a 501(c)3 non-profit organization

You're always welcome to come and check out all of the beautiful classic cars every Fun Run as well as other BBLACC car shows even if you're not a contestant! There is no

admission fee for attending as a visitor. Please come and enjoy the event!

Older Fun Run pages have descriptions of what past years look like. There are more than 500 cars on display, many vendors for food/drinks and souvenirs as well as Big Bear Village businesses, great live music, many people with similar interests and beautiful weather. The "Cruise Around the Lake" event is a fun way to see all of the cars driving by. For more Big Bear information, please visit the web site. <https://www.anticuecarclub.org/funruninfo.php>

Friday, August 19th

The Classic Chevys of San Diego have been invited to join us.

Caravan and more info coming soon.
