## *Revolutionaries Cruise in the New Year*

# *T5R New Years Day Cruise 2019*

*by Wayne & Linda*

It's hard to believe 2018 is behind us and it is already 2019. It seems like the holiday season should still be way off, but somehow it all came and went by quickly. A lot of it had to do with just how busy we have been recently with trying to get Linda's truck painted and back together while at the same time trying to get the convertible painted.

But here it is! Already time for the T5R New Year's Day cruise and we haven't even cleaned up Little Brownie from our trip to the Scottsdale Good Guys show in November. A couple days after we arrived home from that trip, the battery in Little Brownie failed and I discovered a coolant leak. I just ignored both issues for as long as I could, but on December 30, I installed a new battery and fixed what I thought was the coolant leak. On New Year's Eve, we drove to Costco to get a tank of gas and as we were heading back home, the power steering pressure hose blew a hole in it. I can't remember ever having this particular problem and it couldn't have been worse timing to get a new one. Nobody was available on New Year's Eve to make a new hose. But on the brighter side, at least we weren't in the middle of the cruise when it happened. And the coolant leak is not fixed. I guess I shouldn't have waited so long to take care of those pesky issues. Perhaps I would have had time to get them corrected by New Year's. Oh well, we would just have to drive a non-classic on the cruise.

On New Year's Day, the group met at Filippi's Pizza Grotto in Lakeside at 10 am. There were eight classics and one GMC diesel pickup (ours) as we headed out to the Hildebrand's

residence, about a 30-minute cruise taking back roads, avoiding the freeways and missing a turn along the way. If you've ever been to Rod & Nancy's house, you know how easy that is to do.

When we arrived, Nancy had doughnuts for everyone and Rod had his garage open so everyone could enjoy the enormous amount of memorabilia items on every wall and in display cases. There simply was not enough time to fully explore everything Rod has displayed. Did anyone notice Stanley sitting on Rod's toolbox keeping an eye on Rod's stuff? If you missed the tour or just didn't get to see all of Rod's cool stuff, check out the photos Ava posted on the Tri Five Revolution website. Nancy held a contest to see who could come closest to guessing the total number of

ornaments on three Christmas trees. Mike Harvey was the winner of a box of Sees candy by guessing 374 ornaments, the closest to the 408 actual count. Congratulations Mike!

Before long, we were on our way to Don Perkin's residence for part two of the garage tour. Don had both side gates open so the classics could go in one side and circle around to leave through the other side. If you have never seen Don's collection of classics in various stages of completion, you have missed out on some very cool cars. He had a black '55 Chevy convertible, a red & white stock '55 Nomad, a turquoise '55 Pro Street Nomad, a '55 Pontiac convertible, a '58 Buick station wagon, a COE truck project and numerous other vehicles on the property for everyone to check out.

Log into the website to see some of these photos too.

It was then time to head out on our backcountry cruise from Alpine to Jamul by way of Lyons Valley Road. There were now 10 classics making their way along two lane roads on an hour-long

cruise to Filippi's Pizza Grotto in Jamul. All of the classics made the trip with no slips, drips or errors, just the way we like it. Once we all arrived and got parked, we made our way inside. There were 21 people in anticipation of some great Filippi's Italian food. The restaurant appeared to be a little short on help and we had a bit of a wait to get

our drinks and food, but all of our hunger woes were soon taken care of. All in all, it was a very fun day spent with a bunch of our fabulous T5R friends. The next time you see Mike Harvey and Joe Keller, be sure to thank them

for taking the time to organize this New Year's Day cruise. It was a great day with great friends and it just doesn't get any better than that. Happy New Year!

# Correspondence from Tri-5ers

January 12, 2019

Lynn and I attended a local car show in Oro Valley. The show is a lot like the In & Out show in Poway. They have a DJ, trivia contest and a relaxed show. There were a variety of cars including several 60's gassers, hot rods, trucks, classics, newer cars (vettes, dodge demons, etc), and a few sports cars. Only one Tri 5, a 1957 gasser.

We did pretty well. We won first place, Lynn won a trivia round and we won \$50.00 in the 50/50 drawing. It is amazing how the black car looks under a cloudy sky. After the Good Guys show in Scottsdale in November I got out the clay and buffer, so it looked pretty nice. It was a nice show that is held each month. We are off to a pretty large show later in the month in Tubac which is south west of Tucson.

# Tri 5 Member Project Updates

## Hartwig Convertible

We got frame and suspension parts for convertible back from Quality Powder Coating and I am ready to assemble a rolling chassis. Rain delayed body paint at Jerry's, but the black could be done.

## Linda's Truck

Linda's truck got the tailgate installed and got all of the door handles and latches installed. Making progress!

## Bishop's Tractor

After a major blow out Bob & Ava had to get four new shoes for their '41 Ford Tractor. Ron's Tire & Brake in Ramona did a great job.

## February T5R Meeting

Because of the Big 3 starting on Thursday, February 21st the club meeting for that month has been canceled. If something comes up that needs to be shared with the entire club send an email to Ava to be forwarded.

## Big 3 Auto Parts Exchange & Swapmeet

Big 3 will be here soon. This year the dates have been changed so the event will begin on Thursday, February 21st and will go to Saturday the 23rd. All passes were purchased last year by club individuals and passed out then so we have no extras to hand out this year. You can still come bring a chair and spend the day(s) with us, you just can't park inside. Be aware according to the new rules Thursday is for set up only, no shopping. Not sure how that will be enforced. We will also be having a T5R potluck on Friday in front of Wayne and Linda's RV if interested in participating let them know.

## Midnight at the Oasis

Our annual pilgrimage to Yuma, Arizona is coming on February 28th

T5Revolutionaries will be meeting at the Albertsons parking lot in Alpine to stock up on supplies

Heading out a 10:00 am for lunch in El Centro .

*(Sandy, since you missed the turn off will you be backing up all the way from Arizona? Looking forward to seeing you and Lynn again)*
