El Cajon Cruise Night

Submitted by Wayne Hartwig

El Cajon Cruise Night is back and on June 2, Classic Chevys of San Diego was the featured car club for the week. Smitty asked the membership to bring out their classics to help CCSD put on a good showing for the event, and ten cars showed up. Five '55 Chevys, two '56 Chevys and three '57 Chevys arrived around 4 pm and parked in the featured club area on Orange Avenue at Main

Street. Among those participating were Rich Correia, George and Sherri Lee, Chet and Edith Campbell, Rod Hildebrand, Tim Beall, Jim & Joan Price, Harry Fulgam, Mike Clark and of course, Leon Smythe, but without his '55 wagon.

There was the usual variety of vehicles cruising up and down Main Street and parked along both sides of the Street, but it seemed like participation was not as high as I have seen it at previous shows. However, there were still plenty of classics, hotrods, and specialty vehicles to see.

I was not too familiar with how judges pick trophy winners for this show, but apparently one car is always chosen from the cars in the featured car club. When Sheri came by our group looking for the person in charge, meaning Smitty, he was apparently off looking at cars somewhere. Sheri pointed at me and said come with me and we walked over to our group of Tri-5 classics. She pointed at my convertible and asked if I knew who it belonged to. I said yes and that it was mine. She said oh good, she had picked the right person to talk to as it was the car being chosen for a trophy.

Sheri gave me instructions to be at the T-shirt booth at 7 pm without the car for photos and presentation of the award. At previous shows, they always had the cars of the winners parked in or around the Promenade, but that practice was not being used so far this season. Instead, they had me stand holding the trophy and took photos with Charger Steve's girls, a part of the process that they were still using. Personally, I think it would be a lot better to have a picture holding the trophy next to the winning car, especially since the girls didn't seem to be too excited about the photo shoot either. There were no announcements of the winners, and I still don't know how many trophies were actually given out that night, but I saw slips of paper for what looked like perhaps six to eight winners. I was surprised to see that the trophy I received was for "Best of Show." I certainly was pleased to see how many people stopped to admire the car and take a lot of photos too. I really appreciate all of the nice compliments the car has been getting.

Sheri also told me about "Drive Your Tri-Five" night on July 7 and asked if I would display the car on the Promenade for that show. I agreed and she signed me up on the spot. I heard that Rich Correia, Leon Smythe and Rod Hildebrand also signed up to bring their Tri-Fives for that show, so it should be an interesting fun time. Clean up your Tri-Five and come join us!

Auto Swap & Car Show at Santee Drive-In

May 31st, nine Tri-Five Revolutionaries headed to the Santee Drive-In in Santee, not for a movie but for an auto swapmeet. It was definitely a sellers market. Long lines to enter, but once inside it was wide open spaces for shopping.

Then onto Filippis Pizza Grotto, one of our favorite places to eat.

Not done yet, after a yummy lunch we headed to Rough Edges Ranch for a couple of hands of 5 Crowns. Its really great to get back together for some fun times.

Next Auto Swapmeet and T5R lunch will be Monday September 6th. Hope to see you there.

JUNE 2021 CRUISE TO POWAY IN & OUT BURGER

Submitted by Wayne Hartwig

The weather over the last few weeks has been really nice and just about perfect for cruising around in a classic car. June 5th was no exception. It was a beautiful day for taking a drive in a classic car to In & Out Burgers in Poway to enjoy a double-double cheeseburger and fries while visiting with a few of our Tri-Five friends.

Linda and I were the first of our group to arrive in the '55 convertible, but soon we were joined by Joe & Donna Keller in their red '57 wagon, Bob & Ava Bishop in their Camaro, Tom & Nancy Geiman in their turquoise '57 hardtop and Don Perkins in his newly acquired red '67 Corvette.

We did the usual sign-in to get the window placard for the car and I always buy a few raffle tickets to help support the Poway Cruisers car club that puts on the event. About ninety cars showed up for this show. After visiting with everyone for a while, we made our way inside to get our burgers and fries and enjoyed them under the shade of a big tree in the parking lot.

Around 1:15, they pulled tickets for the raffle prizes and announced the winners of this month's two awards. No winners in our group, but it was really nice to get out and visit with everyone and maybe we will have a few more members of our group join us next month. So, let's turn up the music and cruise!

CLASSIC CHEVYS CRUISE TO DON'S PARTY GARAGE

Submitted by Wayne Hartwig

When I received the e-mail from Smitty about a cruise he had arranged to Corona to visit a huge privately owned collection of old Neon signs and lots of memorabilia from our past, I just had to sign up for the trip. While I'm not a collector myself, I thoroughly enjoy seeing so many things I remember growing up around and in many cases, things I have never seen before at all.

On June 12, a group of CCSD members met up in the Murphy Canyon Sizzler parking lot and at 9 am, we headed north on I-15 towards Corona. There were eight classics and a couple daily drivers in the group, and we arrived at Don's Party Garage in Corona a little before 11 am. After the initial confusion about how to get onto the property, we were able to drive into the back parking area with our classics.

Don Long and his wife have eight and a half acres on which they built a huge garage type building where they display awesome collections of signs, memorabilia of all kinds, and about thirty classic cars. Inside this huge building, there is so many things to look at, that even after three times through, I was still seeing things I missed on the previous rounds. There is a working Ice Cream Parlor in one corner, a replica old time drug store in the back and a complete working 50's style diner just outside. There are so many lights, neon signs and other things using electricity that a huge diesel generator was running outside to power everything up.

There is an old-time elevator that goes up to the man cave on the second floor where there is a bar, pool table, a bowling machine, juke box, several pinball machines, and a whole bunch of other memorabilia items. It is a working elevator, though it is a little scary to use as it takes off fast, stops fast and has a bit of a jerk about halfway up. Very cool!

There are pedal cars everywhere you look along with display cases with antique collections such as vintage car parts and vintage pieces of garage equipment like jacks, tire changers, battery chargers and battery stands, oil changing and lubrication equipment. There are racks holding oil cans, coke bottles and various other items. There are collections of hammers, scales, coffee cans, fire hose nozzles, sanders, and saws. There is even a Barbie Doll collection. There are Texaco, Standard and Gulf gas stations all surrounded by more memorabilia items.

Among the big signs was a Planet Hollywood marquee near the entrance, signs for many familiar car makers, some that are long gone, signs for jewelry, a bakery, paint store, food, car repair services and the list goes on.

The most impressive part of this is that all of this was put together since 1996. And they are not finished yet. Things still come and go and get moved around. And they are currently building a frontier town complete with sheriff's office, bank, barber shop, blacksmith shop and a bar is in the works too. I'm sure I missed seeing everything, which is part of the reason I hope to go back sometime.

After a couple hours of intense exploring and enjoying an ice cream, it was time to go. About half of the group went to Tom's Farm for lunch and shopping before heading on home. All in all, it was a really fun event and perhaps we can do it again. Put this one on your bucket list!

Dearest Family and Friends,

With broken hearts we deeply regret letting you know the passing of our dear sweet friend Woody Downing. He passed away yesterday evening unexpectedly; apparently of a heart attack. A wonderful sweet friend & genuine well known hot-rodder. He will be greatly missed by everyone who knew him.

Congratulations classic friend Gary Judge. He retired this year from the San Diego Zoo. We wish him all the best. *T5R*

Cruisin' Grand kick off was really packed with cars and people. We ate dinner at Filippi's, walked around looking at cars and visited with a few people we ran into. It was nice.
