# *33rd Annual Fords & Friends Car Show*

*Submitted by Wayne Hartwig*

Pick-Ups Limited hosted their 33rd Annual Fords and Friends Car Show on June 11, 2022, at Grape Day Park in Escondido. This show was open to all years, makes and models of cars as well as classic motorcycles. Parking was on the grass under the trees. Live entertainment was provided by Suspicious Minds, an Elvis Presley impersonator. There was a large amount of raffle prizes and a 50/50 raffle as well. Food trucks and other vendors were on hand to fill the needs of entrants and spectators alike throughout the day. All proceeds from this show will benefit Meals on Wheels, Armed services YMCA and other local charities.

This was the biggest showing of Tri-Five Revolution vehicles at a car show since Midnight at the Oasis in March. Eight classic cars met at 8 am at Geiman Motors. Attendees in addition to Linda and me were Tom & Nancy Geiman, Mike & Pat Harvey, Bob & Ava Bishop, Joe & Donna Keller, Rod Hildebrand, Don Perkins and Dana Stevens. We all arrived together so we could park together and that worked out quite well for us. There was plenty of shade and a picnic table close by help keep things comfortable all day.

Some of us started out getting breakfast while others headed off to buy raffle and 50/50 tickets in hopes of winning a few useful prizes. It was a good day to see a lot of really nice cars, win a few nice raffle items, and to sit around visiting with our fellow Tri-Fivers. Awards officials came around to pick their favorites for the different awards. Our convertible was once again chosen for

Best Tri-Five Chevrolet and Dana Steven's Nomad was chosen for a Sponsor's award from Kirk's Radiator Service. Elvis was on hand to pose for photos with the award winners.

It was really nice to see so many of our Tri-Five family members come out for a very enjoyable day in the park. Word is that this show will be the last car show on the grass at Grape Day Park. I inquired where next year's show will be held and was told it will be in San Diego at a golf Course somewhere on Aero Drive near Montgomery Field. Since that is only a couple miles from the house, it will be a short jaunt to attend.

# ***Auto Swap & Car Show***

Memorial Day, Monday May 30th was the Auto Swapmeet. Several Tri-Fivers headed early in the am to Santee for walking, shopping and talking with friends. The event seems to be getting larger every year and more organized. After the swapmeet we headed down the block to Filippi's Pizza Grotto to meet up with more Revolutionaries for a yummy lunch. But wait we weren't through yet, we all headed up the hill to Rough Edges Ranch for snacks and a couple games of Five Crowns. Turned out to be a really fun day with great friends. Mark your calendar because we will be doing it again on Labor Day, Monday September 5th. Walking, shopping, eating and another T5CTournament.

*Bob & Ava*

## ***Tri-Five Night At El Cajon Cruise***

*Submitted by Wayne Hartwig*

June 1 was Tri-Five Night at El Cajon Cruise Night. A few of us Tri-Five Revolutionaries decided to participate on the Promenade in El Cajon to show off our Tri-Five pride and Classic Chevys.

We were to arrive between 2:30 and 4 pm, and even though we were there a bit early, there were nine other Tri-Fives already in line in the alley waiting to be directed to their spot on the Promenade. Rich Correia was there with his black & white '56 Nomad, the Geiman's arrived with us in their red and white all original '55 Convertible, and Linda and I came in our black & silver slightly modified '55 Convertible.

I believe there were 15 total Tri-Fives on the Promenade for the show. Weather was near perfect all night. We parked and set up our chairs and mostly watched the crowd of people going by. Brian Burns was there with his '55 Chevy 210 Delray that was actually in the first Top Gun movie, which seemed appropriate since Top Gun Maverick was just hitting the theatres. Brian has life-size cut outs of Tom Cruise and Kelly McGillis, but he didn't bring them because they are a bit too bulky. Brian did bring a Top Gun Sign that has a photo of the car with Tom Cruise.

Before long, there was a "winner" sign on Brian's '55 sedan and one on the Geiman's '55 convertible. They lined up the cars in the alley, but before the awards were presented, there was the usual Charger Steve entertainment. An acapella group of four girls called the Skylarks was up first and they sang "Route 66", "Come Go With Me" and a few others before the winners were paraded in front of the stage and the crowd. Charger Steve's girls were on hand to present the awards and take the usual abundance of photos. It was actually a lot of fun.

### **This years theme, celebrating First Responders.**

Established in 1950, Valley Center Western days is the historic and premiere annual event celebrating Valley Center's western heritage. This year the 72nd Annual Western Days kicks off Wednesday, June 1-4, 2022, the Bee & Butterfly Festival. Friday, June 3, Western days Guns & Hoses Chili Cook-off held at Fire Station #1. Also on Friday/Saturday night, right across the street from the chili-cook off the Western Days Festival will have live bands, dancing, a beer garden, food trucks, games for the kids and vendor booths.

Saturday, June 4th starts VC Rotary pancake breakfast, Parade and a car show. The 1.6 mile parade route starts at Cole Grade and ends at Lilac Rd. Several of parade entrants, the Valley Center school bands will perform as well as trail horse riders, and the valley Center Fire and Sheriffs, community based organizations, parade sponsors, local Dignitaries, Mayor, VC queen and honored Veterans all being escorted in classic vehicles. I thought this would be the perfect opportunity to participate in my new community and meet and greet the locals since I have moved to Valley Center late 2020. I contacted the Western Day Parade chairperson and wanted to register the Nomad in the car show, instead she asked if I would be interested escorting a Parade sponsor? I was on board and looking forward to it. I have done the Coronado parade several times with club participant, but this was little different having a stranger riding in the nomad. I was required to submit a 50-100 word essay about me and the nomad and will be contacted if accepted. I received the OK and the finale line up for the Parade #23/#24.

Early Saturday morning, I drove up to the staging area, Valley Center Rd @ Cole Grade Rd. While I was waiting for my VIP I chatted with other drivers who have done VC Western Parade for several years and always look forward to it. I spotted Sheila Brown dressed in her western attire standing next to the nomad and I went up to her and introduced myself. I showed her the nomad and gave a brief history. Sheila Brown who is the Chief Operations of Palomar Health which includes Palomar Medical Centers in Escondido and Poway. As I pulled onto the parade route with Sheila on the passenger side, we can see the excitement of the parade attendees we're all in a celebratory mood with smiles and thumbs up as we drove by and waved back. The parade route ended at Lilac Rd. I drove Sheila back to her vehicle and exchanged photos and thanked her for her community service.

Most of the escort drivers parked at the dirt lot across the street from the Fire Station #1 and displayed their cars for the public to enjoy..

Valley Center Western Days is the biggest, family-friendly community event of the year, it was honor to have participated and I look forward to next year....

# Fallbrook Vintage Car Show

*Article & Photos Submitted by Wayne Hartwig*

The 55th annual Fallbrook Vintage Car Show took place on May 29 at the Bates Nut Farm in Valley Center. This Car Show is advertised as the longest running car show west of the Mississippi. Registration was open to all cars, trucks and motorcycles 25 years or older. More than 450 entries paid the \$35 entry fee to pre-register for the show and no day of show entries were accepted. There were awards, posters, show merchandise, swap vendors, food vendors, and a live DJ playing some of our favorite tunes. This year's featured car was the Chevrolet Corvair and there were about thirty of them parked in rows at the top of the grassy area.

This was a new location for this show, which was previously held on a golf Course in Fallbrook. Apparently, the Golf Course has a new owner who does not want to host car shows, hence the move to Bates Nut Farm. Most people are quite familiar with car shows at Bates Nut Farm and know they advertise it as being on

the grass. In reality, there isn't all that much real grass. It is actually a little bit of grass with a lot of weeds mixed in, gopher holes and plenty of dust. Nevertheless, it is actually a pretty nice location for a car show with an abundance of space for parking cars.

Gates were advertised to open at 7 am and cars had to be parked by 10 am. Linda and I got up early and arrived with our two entries at Bates at 6:40 am. Much to our surprise, there were over 200 cars already there. We were directed to two of the last few spots on the east side next to several vendors. Sam & Donna Rindskopf arrived a few minutes later and we were lucky enough to talk the parking guy into letting them park close to us. The Geiman's and Dana Stevens came a little later and were parked on the west side away from the main activity area.

It was overcast and a bit drizzly early on, but the clouds opened up and made way for partial sunshine by 9 am. We cleaned up the cars, opened up the hoods, and placed fire extinguishers near the left front wheel, which was required to be judged for an award. Then we were off to get some breakfast. There were several food vendors to choose from and we choose a breakfast burrito that was very tasty. Then we went off to visit with all of the vendors and to see all of the entries. There were quite a few cars we had not seen before and some were quite interesting, like the barn find Ford Gran Torino with a life-like cutout of Clint Eastwood behind the wheel and a 1956 Cadillac Fleetwood Sixty Special with a life-like Virginia Ruth Egnor in the backseat who became an overnight sensation as Jeannie Lewis, a sexy dumb blonde on NBC in the early 50's. A Mercedes ambulance, a Subaru minivan, a Ford COE crew cab tractor and some restored early Packards were among many of the entries we see at almost every show.

After grabbing some lunch, getting goodies from the store, and sitting around the cars for a while, it was soon time for the awards. There were forty awards for various categories and as winners were announced, Miss Teen Fallbrook and First Princesses were there to present the awards. Along with the award, each winner received a box of avocados. They were down to the last five awards when they got to "Best Engine Bay." The announcer said it was a difficult choice between two cars. I was totally surprised to hear him call my name for that award. The last award was the Miss Teen Fallbrook choice, and it went to our very own Dana Stevens, who also went away with a box of avocados with the win. Immediately after the awards, cars were leaving like a stampede of buffalo. Within minutes almost everyone was gone. This was a very nice show and except for being a bit dusty, it checked a lot of boxes needed for a successful event. Congratulations to Dana on her win!

# Mission Beach Father's Day Cruise to Belmont Park

Article & Photos Submitted by Wayne Hartwig

Last Sunday was Father's Day and with that came the Mission Beach Father's Day Cruise to Belmont Park put on by Charger Steve. This show has been happening for the last four years on Father's Day to celebrate all fathers and their families & friends, and the proceeds will go to Cruising for Causes. The show was open to all vehicles and there were about 220 entries.

This was our first time to attend this show and we heard the parking would be a little tight. It was, but once parked it was reasonably okay. Weather could not have been any more perfect. It was sunny with a temperature of 70 degrees with a nice breeze. Live music was provided by the "Ideals." Since it all happened at Belmont Park, there was no shortage of places to eat, stores to shop, or sites to see. The roller coaster went by regularly with a load of screaming riders. Numerous street vendors were lined up on the boardwalk next to the beach. Kites were in the air and a rescue helicopter was flying over the area regularly.

At 2 pm, there was a performance by comedian Skip Banks, who uses a variety of props to spoof celebrities and stereotyped characters. It was a bit hokey, but it was certainly entertaining, especially when he blew up a giant yellow balloon with a leaf blower, then climbed into it and performed a variety of goofy shenanigans. Then raffle tickets were pulled for a few items. Awards were next and fifteen entries were selected to win them, followed by the 50/50 drawing. Then the announcement, 15 minutes after the show ended the parking lot was being opened to the public and it was recommended to vacate the lot as quickly as possible. We did.

# Get Well Soon Wishes

Sam came through the heart surgery great but since has had a few setbacks. He had to have another surgery for broken stitches in the breast plate due to coughing, breathing and lung issues. They put in a titanium plate and another procedure to clean out his lungs. So far so good and it looks like all his girls are there for him. We send Sam all our prayers and best wishes for a speedy recovery.

T5R

## Pickups Unlimited Fords & Friends

Big Thank You to Pickups Unlimited San Diego for a great event. We all had a really fabulous time and appreciate all the hard work that goes into putting together a show like that. Looking forward to next year.

T5R

### Tri-Five Ladies Day

We know there is a lot going on this summer but if your interested in starting the monthly Ladies Day up again, we need your suggestions. Email or text your ideas to Ava.

# ***Claudia's Corner***

**A few Tips for around the house this summer**

To remove muffins or rolls from a pan, set it on an old, damp towel for a minute. The steam will loosen the bottoms and they will slide right out.

Use baking soda to scrub away stuck-on food on your grill. Sprinkle it on the metal brush and scrub away. If your grate is beyond the power of fire and baking soda, remove it and lay it on some newspaper spread on the ground. Pray with oven cleaner and let sit. Rinse with a garden hose and replace it on the grill.

Mix a quarter cup of salt in with two tablespoons of bath wash for a sudsy, refreshing, skin-soothing salt scrub.

The sticky residue from price tags can be really annoying. Use WD-40 to get it off.

Sprinkle baby powder in rubber dish gloves to help them slide on in an instant. You can also use corn starch in a pinch.

Need a patch for old woodwork? Mix paint and flour. Make a paste, fill in the holes and let dry. It's hard like cement and can be sanded if necessary before painting.

Painting stairs? Paint every other step to start with. When they are dry, go back and paint the others. This way, you can use the staircase anytime during the project.

These recipes are refreshing summer fruit salads for picnics. (Easy, too!)

## **GRAPE SALAD**

2 lb. green seedless grapes

2 lb. red seedless grapes

In a bowl cream together the following:

8 oz. sour cream

8 oz. cream cheese

½ cup white sugar

1 tsp. almond extract

Pour over grapes and mix .

Topping:

Mix together the following:

½ cup coconut flakes

½ cup brown sugar (light)

½ cup almond pieces

In the bottom of another bowl, put a small amount of coconut flakes and pour in grape mixture. Then sprinkle topping over top.

## **WATERMELON SALAD**

3 tablespoons lime juice

1 cup sliced red onion, cut lengthwise

15 cups cubed watermelon

Seedless Watermelon

3 cups cubed English cucumber

1 (8 ounce) package feta cheese, crumbled

1/2 cup chopped fresh cilantro

cracked black pepper

sea salt

In a small bowl, pour lime juice over red onions. Allow to marinate while assembling the salad.

Gently combine the watermelon, cucumber, feta cheese, and cilantro in a large bowl. Season with black pepper. Toss watermelon salad with marinated onions and season with sea salt just before serving.

## Brothers 23rd Annual Show 'N Shine

*Submitted by Wayne Hartwig*

Brothers Classic Chevy & GMC Truck Parts In Corona advertises as being America's #1 Source for 1947-1987 Chevrolet & GMC classic & custom truck parts. If you are looking for classic Chevy or GMC truck parts, they are a good source, as they have thousands of original and custom truck parts.

Brothers has been sponsoring an all Chevrolet and GMC truck show for over two decades and the show is only open to 1947 to 1987 Chevrolet & GMC trucks. For the last few years, the show has been held at Oak Canyon Park, Silverado, in Orange County and has been limited to 600 entries. They claim it is the Classic Chevy & GMC Truck Event of the year and has some of the best trucks from around the nation. In reality, it is a huge display of daily drivers, work trucks, and a hand full of really nice restored or custom trucks. About half of the entries are modified low rider trucks in various condition. A great majority of the trucks have faded paint, dents, rust and lots of evidence they have been used and abused. Nevertheless, this is where you have a great opportunity to see a lot of cool trucks all in one fun location.

There are several food trucks on site with just about any kind of food you may like, including burgers, hot dogs, Mexican food, an ice cream truck and a funnel cake truck for those with a sweet tooth. There is a huge raffle with lots of great prizes. A live band plays on and off all day playing mostly country music. Numerous vendors are along the edges of the park mostly selling items related to the trucks at the show.

Linda and I left the house with her '69 Chevrolet C20 pickup at 6:15 am and arrived at Oak Canyon Park at 7:45 am. As we followed the narrow-paved road into the park, we saw a line of trucks waiting in line to get parked. Dozens more came up behind us. It took another 30 minutes to worm our way in to our parking space, which by that time was on the far west side of the park, almost in the corner. We set up our chairs and popup, cleaned up the truck, and headed to registration to get our goody bag. Then it was time for a breakfast burrito before starting our trek around the park to see all the trucks. We had a voting card to write down the numbers of our favorite 20 trucks. Although the flyer said the show was limited to 600 entries, there were nearly 700 on the grounds.

The last time we went to this show, Linda won a bicycle and a couple other items. This time we bought a bunch of raffle tickets and all we won was one ice cream from the Screamin' Ice Cream truck. At 2:00 pm, the awards for the top 20 were announced. Within minutes after that, trucks were leaving and heading home.

Interestingly enough, the host of the show talked at length about the recent sale of the company and seemed to be going a little overboard thanking everyone for being loyal customers and longtime participants in the show, and saying he hoped to see us all there next year. Later we learned that they are closing the store in Corona and moving their entire operation to Holley's new state-of-the-art 400,000 square-foot facility in Bowling Green Kentucky. So, I think it seems unlikely there will be another Brothers Truck Show here in California. I guess we'll see.

BBLACC is a 501(c)3 non-profit organization

# BIG BEAR FUN RUN 2022

The Big Bear Fun Run™ is a three day car show held in the Village of Big Bear Lake California. The event includes about 500 pre-assigned parking spaces, a Saturday afternoon 'Cruise Around the Lake' and a Sunday morning drive through awards presentation. The 2022 event will be the 31st annual show. Over the years the show has earned a very favorable reputation. The Fun Run is always held over the second weekend in August. The streets are generally full of spectators, and a summer shower may develop. This is a fun event.

You're always welcome to come and check out all of the beautiful classic cars every Fun Run as well as other BBLACC car shows

even if you're not a contestant! There is no admission fee for attending as a visitor. Please come and enjoy the event!

Older Fun Run pages have descriptions of what past years look like. There are more than 500 cars on display, many vendors for food/drinks and souvenirs as well as Big Bear Village businesses, great live music, many people with similar interests and beautiful weather. The "Cruise Around the Lake" event is a fun way to see all of the cars driving by. For more Big Bear information, please visit the web site.

The station wagons with everything you want in beauty and engineering!

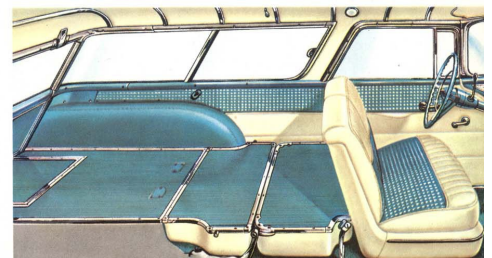

- long, low lines**  
Sleek, sweeping styling decked out in glittering color combinations — the luxury wagons of the low-price field.
- visibility unlimited**  
Sweep-Sight windshields and curved rear-quarter windows give nearly 360° vision — there's no usual rear-corner blind spot.
- two- or four-door**  
Either way you like it, there's extra room — extra legroom in back. On two-doors, front seat backs swing way up, make access easier.
- three new engines**  
Your choice of the mighty Turbo-Fire V8\* or two new 6's. Greater zest and energy for normal or heavy loads.
- new riding comfort**  
Low center of gravity, Glide-Ride front suspension, and outdragger rear springs bring new stability to station wagon driving.
- three transmissions**  
Your choice of new Synchro-Mesh, advanced Overdrive, or smoother, silkier Powerglide.

Whatever your choice in a station wagon — one of these 5 *motoramic* CHEVROLETS is it!

*and look!* they're longer and handier inside

New seat fold gives you nearly 11 inches more load length

There's more room for everything in the new Motoramic Chevrolet station wagons, thanks to special seat-fold engineering. Load length is increased by nearly 11 inches, because both back seat cushion and backrest fold flush with the floor. There's uninterrupted cargo space between the front seat and the tailgate. Another great Chevrolet station wagon utility feature!
