**TRI-FIVE**  
**REVOLUTION**

June 2011

Volume III Issue 10

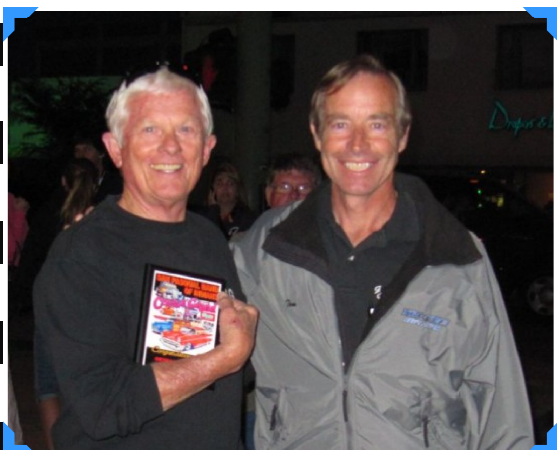

# Revolution Review

True to the form of revolutionaries throughout history, our T5R group has been active this month, on the move in several different directions. This included an evening Cruisin' Grand on May 20th.

Escondido's Grand Avenue provides a close-to-classic venue for cars -- an interesting mix of shops and restaurants bordered on both sides by a wide array of classic cars each Friday "in season". Thanks to the generous sponsorship of the event by Tom and Nancy's Geiman Motors, the Tri-5 Revolution thrived on the special "host club" attention of primo parking and was recognized with lots of deejay mentions (almost as good as seeing our T5R logo in lights!). As always, we made a lot of our own fun, too -- good conversation with good friends; and food -- tasty Italian entrees at Filippis' where we filled two long tables with revolutionaries and car buddies; followed by cake on the street to celebrate Tom's upcoming birthday. Finishing off the evening, Bob and Liz Brown's handsome red '57 received special recognition from a field of great-looking classics taking home sponsor's trophy honors.

We fielded a respectable number of cars at the event with cars displayed by Geiman friends the DeSoto's and Leon Smythe, San Diego Classic Chevy president, added to those of Ava and Bob (Bishop), Nancy and Tom (Geiman), Pat and Mike (Harvey), Linda and Wayne (Hartwig), Nancy and Ron (Hildebrand), Donna and Sam (Rindskopf). Ann and Harvey (Goldberg) were also part of the fun. (Goldie, at home in the garage, had to sit out the evening.)

You know you're a popular guy Tom when you can share a car show and birthday celebration not only with your immediate group, and other close friends, but also a whole downtown area of car buffs!

# STREAK 38 at Campland on the Bay

Can you believe it, its time for the Streak again! Because we have a new 5th wheel trailer this year, our old campsite was too small and we asked Over the Hill Gang for a bigger space to accommodate us. OTHG came through with campsite J20, located right next to the big white tent. The space was big enough, but we weren't sure we would like being so close to the action. It turned out to be great and provided us with our own picnic table and fire ring right next to where OTHG provides drinks for the event. We were within earshot of DJ Mark Reynolds' oldies music and all of the activities for the entire event.

For us, Streak 38 started on Wednesday. It was quite hot outside when we arrived at Campland on the Bay, but we didn't care too much, we were ready for fun. There were no other RVers anywhere around our site, making it a quick and easy task to place the 5th wheel in the campsite and hook everything up. Ready to play!

Thursday was a few degrees cooler and we did some shopping at Costco getting ready for the traditional 6:30 potluck dinner hosted by Vince & Linda Yamasaki. It seems there are never enough desserts, so we brought a lattice apple pie and a box of chocolate chip cookies. The tables were filled with dozens of homemade dishes made from old family recipes. We tried to take just a little from selected special dishes so we could try a lot of things without getting too overstuffed. Every year, we eat with Rich & Therese Correia from Classic Chevys, who as usual, were first in line. The food was awesome!

Sam brought their 5th wheel in on Thursday, but he had to go back to work until 5 p.m., and then had to go back home to get Donna and the Nomad. So they didn't get to play until after 7 p.m. Sam also had to work on Friday, leaving Donna at the Streak with the Nomad, 5th wheel and their three dogs.

Friday morning brought even cooler temperatures and Harvey & Ann Goldberg to the Streak. Rod Hildebrand showed up his '55 Bel-Air. This was Harvey & Ann's first Streak, so after parking Goldie on the grass, it was time to cruise around checking out the campground, looking at the classic cars, listening to music, buying raffle tickets and sharing stories. We made our way to the big tent to pickup up our goody bag, t-shirt and dash plaque. This year, the dash plaque was actually a wall thermometer with the OTHG

Late afternoon, we were getting hungry, so the four of us went out to JV's Mexican restaurant for dinner and a little energy before the bon fire and street dance started at 7 p.m. Harvey & Ann's schedule only permitted them to come for the day on Friday, and they had to leave before the street dance began. As Harvey & Ann were leaving, Sam & Donna were arriving, so we had new kids to play with.

The dance was on the street by the beach with a couple of big bon fires on the beach. Mark Reynolds played the music, mostly country. A couple hundred people danced and partied until 10 p.m. when quiet time begins.

On Saturday, Rod brought his red '57 sedan and found one of the last few spots on the grass to park. Steve & Sue Higuera brought their 64 Nova to the party, but by the time they arrived, there was no place left to park on the grass or even on the street. We squeezed their Nova in front of our trailer.

Saturday is the biggest day of the event starting with a bake sale, more raffle, more music, more beautiful classic cars, vendors, a "name the tool" game, a poker walk, guessing how long the engine will run before it blows up, Wild Thing, Little Miss Streak & Little Mr. Hotrod contest, music trivia contests, food, trophies and more. Proceeds from the Streak go to the Wounded Warriors and the San Diego Adaptive Sports Foundation. On Saturday morning, a parade of classics and hotrods made the run to the Navy Hospital to pickup Wounded Warriors and bring those able to attend to the show for the day. This year unfortunately, only a few were able to attend.

OTHG puts on a really big raffle with hundreds of general raffle items, a bunch of big tickets items and a 50/50 pot. Every year, there seems to be competition among the people we know to see who can win the most and coolest prizes. Last year, we won none. This year, we won a 12-volt car vacuum and thermos cup case, a Costco Cash card, an Outback cash card, a ladies basket, a drill bit accessory set, Snap-on multi-tool plier tools and a Hemi Charger clock, and one more item we can't seem to remember. After over 10 years of Streaking, we still have no big-ticket item or 50/50 wins, but every year we keep trying.

We don't play the "name the tool" game anymore, as we have no idea what most of them are. There is a big white board holding a bunch of very strange looking tools that were made for one specific task from many years ago. The winner correctly identified 13 tools. For the poker walk, Linda had three fives and Wayne had absolutely nothing. Glenda Griggs took first place, winning 50 bucks with a full house.

The Little Miss Streak and Little Mr. Hotrod contest is for children aged 3 to 8 who dress up in 50's garb and compete for audience applause to win. Since it was overlapping the engine blowup, we didn't get to see them this year. And when it comes to music trivia, Rod is the man. It seems every time we saw Rod, he was on his way to the DJ with the answer.

The awards were handed out at 2:30, but no one we know won an award. OTHG also puts the names of each car entrant in a drawing for 500 dollars every year. This year, once again, we did not know the winner.

Wayne's twin stepbrothers Kent & Keith and Kent's wife Mona came just as Steve & Sue were leaving. Sam & Donna joined us for bbq'd hotdogs, salad and dessert before the live band started. This year, The Kicks were the featured band and they were very good, playing songs mostly from the 70's. We danced a little, consumed some margaritas and took a quick break to watch Wild Thing, a hot rod with a blown high horsepower engine with spark plugs near the end of the headers that ignite raw fuel creating huge flames and a lot of noise. It is quite fun to see, especially at night when the flames are so visible.

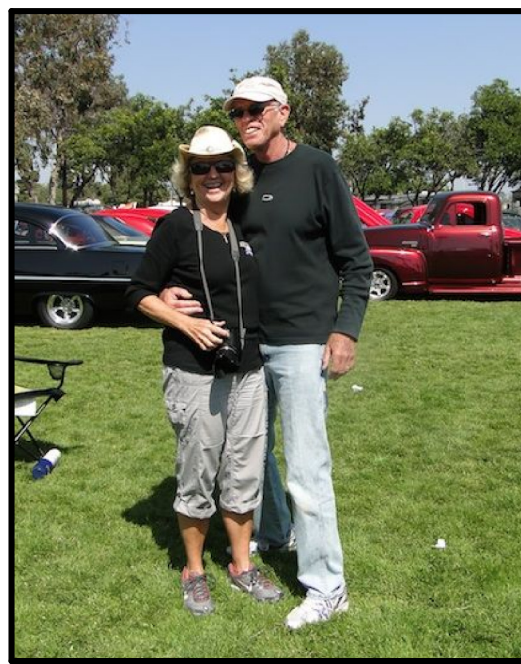

Sunday was Mother's day and Carl & Bobbie Atkinson put on a Mother's day breakfast for Streak participants. Carl pays for the entire feast and gives a beautiful red rose to every mother. After breakfast, the show was officially over and people start packing up to leave before the noon checkout.

The Streak is a very fun car show and party all rolled up into one and everyone seemed to have a lot of fun. We hope Harvey & Ann, and Steve & Sue will register to camp with us next year. If you want to join us, you should register early. Cut off for camping is December 30, 2011. For more info, you can go to <http://overthehillgang.com>.

See you there!

## EVERYDAY TIPS

To rewhiten socks or wash cloths, try boiling a pot of water and adding a sliced, juiced lemon. Soak the items for at least an hour and then pick out the lemon and add the items – water & all – to a load of wash.

Wintergreen oil makes a lovely room freshener. Put two drops on a cotton ball and tuck it into the cushions of your couch or hide it anywhere out of the way. The scent lingers for about a week.

Rub hands with lemon slices to get rid of onion or fish smells. Afterward, you can put the lemon slices down your garbage disposal with a few ice cubes to get rid of smells there, too.

Split an avocado, mash half of it and use it as a mask. Let sit for up to five minutes then rinse away with warm water. (Use the rest to mix up a batch of guacamole!)

Cleaning windows? Use a nylon net scrubbie to remove bugs from screens. It also works really well to scrub bugs off the car grille or windshield.

For even distribution in sowing seeds for your garden, use a saltshaker for tiny seeds. Use a cheese shaker for larger seeds.

# T5 Revolution

## Cruise to Chicken Pie Diner

Tri-Five Revolutionaries had a amazing turn out on May 25th at Chicken Pie Diner. Eighteen T5R members with 8 classics met in Poway along with a parking lot full of some really beautiful vehicles. But it was the Rindskopfs and the Mayers who were the big winners of the night, taking home best cars of the evening recognition. The Diner's owner usually only picks one winner but this night he just had to give two. Since Sam was the holder of our coveted T5R Sitting Chicken Award. He was "forced" to pass it along to the Mayers who will have it for whole year to display with honor at each and every event that their Nomad attends. Congratulations to them both.

# Revolution Recipes

## Magic Bars

*From the kitchen of Nancy Geiman*

- 1 1/2 cup Graham Cracker crumbs
- 1/2 cup margarine
- 1 - 12 oz pkg Nestles' Chocolate Chips
- 1 - 12 oz pkg Nestles' Butterscotch Chips
- 1 cup coconut flakes
- 1 cup chopped nuts
- 1 can Eagle Brand Condensed Milk

- Melt margarine and put with graham cracker crumbs, mix and spread evenly in 9" x 13" pan.
- Sprinkle chocolate and butterscotch chips evenly over crumbs.
- Then sprinkle coconut and nuts over the chips.
- Pour the can of condensed milk evenly over top.
- Bake at 350 degrees for 25 minutes. Watch carefully, so they don't brown too much on the edges.
- Let cool and cut into squares.

Really, really good!

## KEY LIME

*from the Kitchen of Claudia Gayhart*  
*really easy recipe*

- 1 can - 14 oz sweetened condensed milk
- 3/4 cup frozen limeade concentrate thawed
- 1 small container (8 OZ) Cool whip
- 2 - 3 drops green food coloring
- 1 graham cracker crust (9 inch)

Combine milk, limeade and frozen topping. Fold until well blended. Add enough food coloring for just a hint of green. Pour mixture into crust. Refrigerate until chilled through or freeze until firm.

Enjoy!

## Cinnamon Swirl Bread

*From the kitchen of Ann Goldberg*

Makes 2 loafs  
Bakes at 375-degrees

- |                                   |                             |
|-----------------------------------|-----------------------------|
| 7 to 7-1/2 cups all purpose flour | 2 packages active dry yeast |
| 2 cups milk                       | 1/2 cup sugar               |
| 1/2 cup shortening                | 2 teaspoons salt            |
| 2 eggs                            |                             |

### Filling:

- 1/2 cup sugar
- 2 teaspoons cinnamon

### Icing

- 1 cup powdered sugar, sifted
- 1/4 teaspoon vanilla
- 1-1/2 to 2 Tablespoons milk

In large mixing bowl combine 3-1/2 cups flour and yeast. In saucepan heat milk, 1/2 cup sugar, shortening and salt until warm (115-120 degrees) stirring constantly to melt shortening. Add to dry mixture. Add eggs. Beat a low speed for 30 seconds scraping sides of bowl constantly. Beat 3 minutes at high speed. By hand, stir in enough of the remaining flour to make a moderately soft dough.

Turn out on lightly floured surface and knead until smooth and elastic (5-8 minutes). Shape into ball and place in lightly greased bowl. Cover; let rise in warm place until double, about 1 hour.

Punch down dough; turn out on lightly floured surface. Divide in half; cover; let rise 10 minutes. Roll each half into a 15 x 17-inch rectangle. Brush entire surface with water. Combine filling ingredients. Equally spread on the two rectangles. Roll each as a jelly roll. Seal ends, placing each loaf into a greased 9 x 5 x 3-inch pan. Cover; let rise in warm place until almost doubled (35-45 minutes).

Bake 25-45 minutes. If crust browns too quickly, cover with foil last 15 minutes. Remove bread from pans and place on wire rack to cool.

If desired, drizzle with icing. Make icing by mixing all ingredients in a small bowl until well-mixed and semi-runny consistency.

A family favorite for years. Well worth the effort -- this is great buttered as bread or toast and absolutely terrific when you use it to make French Toast!!

Those annoying rear-corner blind spots are gone, and there's new loading convenience with this re-engineered rear end on all Chevrolets. Lower gate closes against the liftgate, holding it tightly in place. Loading's easier, too—just flip down the tail gate with one hand, load up, flip the gate up, and you're off. Truly a revolution in the rear.
