In N Out Burger Cruise

May 5, 2012

It was a beautiful day, a great day for taking a drive in Tri-Five classic. Little Brownie's transmission had just been fitted with a new oil pan and gasket and we needed a break from working on Big Brownie. Hey, it's cruise day at In & Out, lets go visit with some of our Tri-Five friends and get a burger! After all, what could be better than classic cars & a burger at In & Out on a beautiful sunny Saturday afternoon? So off, we went. Hey, where is everyone? We can't be the only Tri-Five member here today. Oh well, everyone else must have something else they think they need to do. Lets park at the end where we can save a couple spaces in case someone else shows up.

We had just registered and bought a few raffle tickets and were looking at the classics when Bob Brown cruised in fashionably late in his '57 Sport Coupe and parked on the other side of the lot. He must have thought that no one else came and no saved space again. After checking out the cars and getting a double-double combo, it was time for the raffle & awards. Once again, we did not win anything, so let's see who wins an award. The second winner announced was Bob Brown with his 1947 Chevy Bel-Air! What? Oops, she meant 1957. Bob, you're a winner!

TRIFIVE

By Rod Hildebrand

Ahh!! A beautiful day in Pine Valley started at Don's house at 7:30am. My son in law Lance was in my '55 Chevy, me in my '57 Chevy and Don in his '55 Chevy convertible. We arrived about 8:00am and found a spot with grass and shade along Olde Highway 80. We parked, put out our chairs and headed down to registration to pick up our goody bags and buy some raffle tickets. Back to the cars for a little clean up and a little rest before looking at the cars, checking our raffle tickets and listening to Mark Reynolds the DJ. Upon returning this time, Lance had a sponsor award plaque on the '55 Chevy. After some lunch, more checking of raffle tickets and looking at more cars it was back to our cars for a some more rest. Upon that return, Don's '55 convertible had a sponsor award on it also! Wow! Nobody likes my '57 Chevy??

About 1:00pm the award presentation was going to start. So we headed back down to the raffle board to check our numbers and see if we had won the 50/50 or the grand prize T.V. We did not win! But all in all not a bad day for raffle prizes. Don won 3 prizes, Lance won 2 and I won 1. We headed back to the cars to get ready for Lance and Don to get their trophies. When we returned, I found a sponsor plaque on the '57 Chevy. Wow! All 3 of us got to drive them to pick up our trophies! After that Lance told me the '55 was low on gas, so we stopped at the local gas station to buy \$5.00 a gallon premium. Needless to say we only put in 2 gallons to get us back to Alpine. It was a great day. Both my cars won trophies (are you listening Sam!!!?) I got to hang out with good friends on a beautiful day in the mountains.

Tri-Five winners on May 19 at Run to the Hills. Congratulations Rod and Don.

STREAK 39 at Campland on the Bay

submitted by Wayne & Linda

It's May again, time for May-Gray, Mother's Day" and the Over The Hill Gang Streak! This year was Streak 39 and it all started on Thursday afternoon when we moved our fifth-wheel trailer from the storage lot to our camping space next to the big white tent, where most of the action takes place. After hooking everything up and making a last minute to Costco for a few goodies, we headed for the Thursday evening OTHG Appreciation Potluck Dinner. There was a vast array of homemade dishes including dozens of salads, baked ham, fried chicken and every type of dessert you could imagine. What a way to begin the event! registered car participants. Again, no one we know won.

Friday started off early with sunshine and Mark Reynolds spinning oldies and people buying raffle tickets by the yard. OTHG claims to have acquired over \$23,000 worth of prizes including a 700R4 transmission won by Leon Smythe of Classic Chevys. We bought a few extra tickets this year because the prizes were very nice, but we won only a couple of small tool items. We met up with Sam & Donna, also camping out in their RV, and we spent a little time with numerous friends from Classic Chevys and OTHG. The ladies of OTHG are well known for their antics every year. This year they were wearing inflatable fat suits with tutus, a sight that will make almost anyone laugh.

Saturday started early again with more sunshine and Mark playing great oldies and hosting contests with prizes for those knowing answers to obscure music trivia questions from the past. Rod won his share of trivia prizes, showing up Leon who is very good at this trivia stuff. More raffle tickets, a pastry bake sale, a poker walk, registering for next year, lots of cool cars on the grass, BBQ lunch and more raffle tickets were all happening at a record pace.

The yearly timed engine blowup was eliminated, but Wild Thang was once again shooting huge flames from the headers into the air. There was no "identify the tool" game or a parade of cars to bring Wounded Warriors from the Naval Hospital, but the Little Miss Streak and Little Mr. Hotrod contest for children aged 3 to 8 was still on the agenda as well as the trophies and a \$500 drawing from all registered car participants. Again, no one we know won

This year, daughter, Paula and 9 year-old grand-daughter, Willow joined us for Saturday & Sunday. Willow got to experience buying raffle tickets and looking for her numbers on the board. Willow didn't win, but we gave her one of our two winner tickets so she could draw a numbered chip and claim a prize. Then we cruised through the park on the golf car where we discovered Willow isn't quite ready for driving.

After all the raffle prizes were given away, it was time for the Saturday night dance. The "Kicks" were back again this year singing popular tunes from our past and challenging our dance skills to keep up with the mostly fast paced tunes.

Sunday morning marks the end of the Streak with Carl's Mother's Day Breakfast. Carl gives a beautiful red rose to every lady in the line and breakfast to everyone. By 10 o'clock, people were leaving by the dozens. We asked for a late checkout and were able to stay until 6 p.m. It became more of a laid-back day with family and a chance to relax a bit before having to put everything away and heading for home. It was a great weekend and May-Gray stayed away. Next year is Streak 40, a milestone in longevity for an event like this, and the OTHG is sure to have some special activities to commemorate the event. We're looking forward to it!

Goldie Enjoys an

Out-of-the Ordinary Car Show

As most of you are aware, I like to see and be seen. Though no longer paint-shop perfect, my distinctive Nomad lines, exterior colors and a certain amount of "bling" contribute to letting me still enjoy more than my share of attention. Plus, I have a good attitude. I like to get out and about and appreciate being driven on cruises and taken to car shows. Recently I received recognition at one of the most unusual shows on my annual calendar.

Several factors contribute to the uniqueness of a car show - types of cars included; size of show; sponsoring organization; benefiting charity; trophies awarded; classes recognized; and location. Downtowns, parking lots, fair grounds, community parks, we've all been to them. Cruise Knights car club gives location a special twist, hosting their annual May event in a shady grove within a private community, Glen Eden Sun Club.

This year's show, a bit smaller than years past due to fire marshal enforced parking restrictions on entrants, was a pleasant, warm and sunny day featuring a field of about 70 classics, barbeque lunch, the usual raffle and fifty-fifty drawings, vendor booth and a band dance. The distinction is that this show has a pretty spiffy name. Ready for this... "Nude Attitude" Car Show. Glen Eden is a Naturist resort near Corona. Think about it. A car show where I don't have to fret about the possibility of my doors being scratched by belt buckles!

Making it even more fun, I won a sponsored trophy for Best in Class, selected by Santa Claus himself! Yup! Mike, the proud owner of an old Helm's Bakery Truck, looks just like the jolly old guy himself, moonlighting as Santa during the holidays! Fun getting an early present!

THE POSITIVE SIDE OF LIFE:

Living on Earth is expensive, but it does include a free trip around the sun every year.

How long a minute is depends on what side of the bathroom door you're on.

Birthdays are good for you the more you have, the longer you live.

Happiness comes through doors you didn't even know you left open.

Ever notice that the people who are late are often much jollier than the people who have to wait for them?

Most of us go to our grave with our music still inside of us.

You may be only one person in the world, but you may also be the world to one person.

Some mistakes are too much fun to only make once.

Don't cry because it's over; smile because it happened.

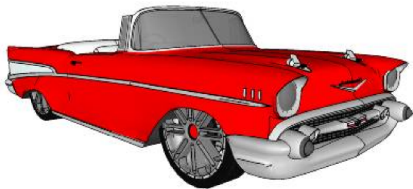

We could learn a lot from crayons: some are sharp, some are pretty, some are dull, some have weird names, and all are different colors.... but they all exist very nicely in the same box.

A truly happy person is one who can enjoy the scenery on a detour.

Tri-5 Revolution

Cruise to Chicken Pie

May 25th with no rain in sight we headed to Poway for another shot at the Chicken Pie Diner 50's Cruise Night. Ten Revolutionaries and two classic friends shared a fun evening of great conversation, lots of laughs and a yummy dinner. After that we checked out the cars and visited with other car enthusiasts. The event was topped off with a much deserved win. Congratulations Rod and Nancy, looks like the coveted Sitting Chicken Award is now yours to display until next time we get together for another Chicken Pie Night.

TRI-FIVE
REVOLUTION

The Kitchen "Scoop" on Sweet and Pucker-y Lemon Curd

from Ann Goldberg

My paternal grandmother Mim, Wilhemina Brumstead Powell, made a killer lemon meringue pie. It was her trademark, much in demand by family members and friends. Unfortunately, she took the recipe for this pie that was perfection to her grave. It was beautiful to look at -- golden tipped peaks of meringue; it was delicious -- flakey crust with a rich, full bodied, and boldly colored lemon filling. And, it was not in her collection of hand-written recipes, the one thing I asked for when she passed.

So started my quest to find another "perfect" lemon pie. Matching the crust was relatively easy. As long as I was willing to ingest lard, I could replicate it with no problem. The lemon filling remained more elusive. I've tried numerous recipes; none could match my memories. Instead, I now use lemon curd as a replacement. My favorite recipe makes a huge batch. Luckily leftover curd has a long storage life. And, it's versatile. Besides pie filling, lemon curd can be used for tarts or as a sauce over angel food cake, pound cake or gingerbread (then top with fruit and/or whipped cream for near-total decadence), or, used as a spread on English muffins or scones. Should you feel like sharing, a jar of lemon curd also makes a welcome hostess gift.

Lemon Curd

(Makes 5-½ cups)

Zest of 5 lemons (the colored part of the peel only; the white pith is bitter and you do not want to include it)
1 cup plus 2 Tablespoons lemon juice (from 5-7 lemons)
1-½ cups white sugar
½ teaspoon salt
6 whole eggs
12 egg yolks
1 cup plus 2 Tablespoons unsalted butter, cut into small pieces

Add zest, lemon juice, sugar, salt, eggs and yolks to the top of a double boiler. Whisk over medium heat being careful not to let the water in the lower pot touch the insert (the pot you're working in) or to let the water in the lower pot boil. Heat slowly to 160-165 degrees on an instant read thermometer inserted 2-inches deep into the mixture.

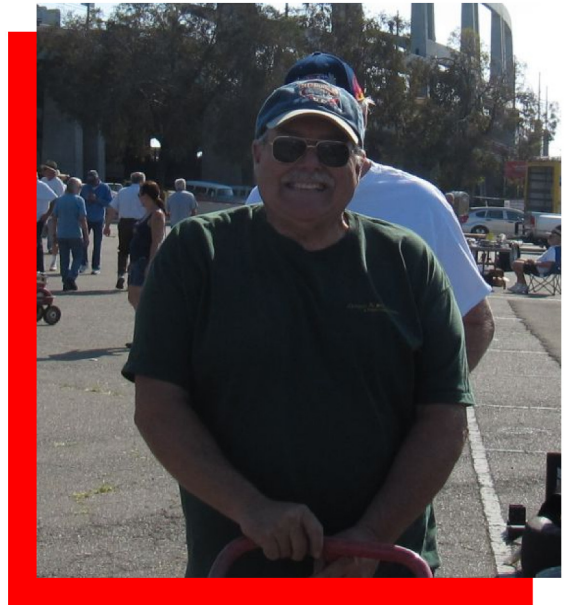

Whisk for approximately 15 minutes, until the curd thickens. Continue whisking as you add the butter, one piece at a time. Strain completed curd into another bowl or serving dish, it will continue to thicken as it cools. Store it the refrigerator for up to 3 weeks, or freeze for later enjoyment.

A BEAUTIFUL DAY AT THE SWAPMEET

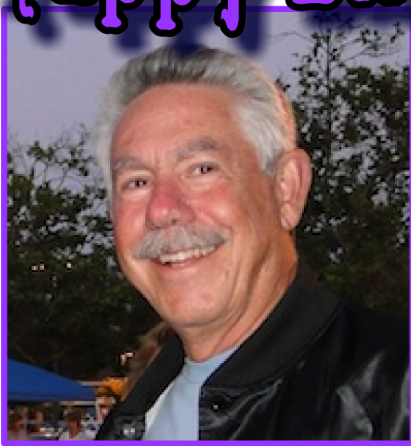

May 28th, Memorial Day is the official first day of Bar-B-Ques with family and friends, but not for us. Again this year some T5Revolutionaries headed to Qualcomm Stadium for the SD Cool Expo (aka Cars Swapmeet) and we weren't the only ones. While perusing up and down the rows we ran into many old friends. This year we even met Ralph and Alicia Medina, members of the Imperial Valley Desert Cruisers located in El Centro. I have been corresponding with them for a while, exchanging newsletters and club info. It's always nice to see the face behind those emails. We had a great time shopping, I even found a perfect bra for only \$15 but we weren't sure if it would fit so the seller let me try it on first, unfortunately it was a little too small. (Rod you do know I was talking about one for my jeep didn't you?!) After walking through a number of times, purchased a few items, checked out some cars we headed to Islands for a leisurely lunch.
