# 5150 Rat Rods Car Club Happening Car Show

*Submitted by Wayne Hartwig*

The Happening Car show at Bates Nut Farm in Valley Center has been going on for a lot of years, however the Heartbeat Classics Car Club is no longer putting it on. The 5150 Rat Rods Car Club has taken it over and their first event happened on April 27th. Sam & Donna Rindskopf, Dana Stevens, and Linda & I decided to take in this show, and we all paid our \$30 entry fee to sign up.

The weather in April was sometimes good and sometimes not so much. This day was one of those “not so much” days. It had been raining the day before and it continued to rain on & off on the morning of the show. We encountered a bit of heavy rain on the trip to Valley Center, but upon arrival, there was no more rain, it was just very cool and breezy. Despite the less than great weather conditions, the turnout was quite good.

While the weather wasn't ideal, it was tolerable and one of the highlights of the show was the valve cover races. Racers had to be made from an automotive engine valve cover, no more than 30 inches long and not wider than ten inches. There must be four wheels no larger than six inches and they cannot extend beyond the front of the racer. They cannot be more than ten pounds and can only be propelled by gravity. There were at least thirty entries. Each contest was the best of three races. It was really fun to see the different designs and the lengths people go to in order to win. No, I'm not going to build one.

As always at Bates for this show, there were a bunch of vendors on the grassy area up by the store selling their handmade wares. Food trucks were on hand to feed the hungry, and a DJ was playing really nice tunes from the 50's & 60's. We split a breakfast burrito, visited all the vendors, did a little shopping at the store, and then saw all the entries and watched the valve cover races for a while.

By 2:00 pm when it was award time, we had on & off sun, and it was a bit warmer. Everyone came to the stage area where the awards were to be announced. Awards were all handmade with different automotive parts and used tools by members of the 5150 Rat Rods members. All three T5R attendees were winners and took home one of those unique awards.

# Tri-Five Messages, Info, News & Correspondence

## Auto Swap & Car Show

Tri-Five Revolution headed to Pechanga Arena for the Auto Swap & Car show on Memorial Day. We had a great time looking for must have rusty old parts and visiting with friends. After that we all headed to Islands for a yummy lunch.

## May T5R Meeting

May was a great meeting but we are still not sure if this is the best location for us. So for now we are The Traveling Chevy Nomads. Buca di Beppo will stay on the list for future consideration. The committee is back on the job and will let everyone know our next location soon.

## Thursday - June 15th T5R Meeting 5:00pm

The Find Us a Meeting Place Committee found us another place to try out. This month will be:

### Bongioino's NY Pizzeria 13332 Poway Rd, Poway

Big Thank you to Sam M and Joe and Donna Keller,

This past Thursday a group of car friends and I attended my high school alma mater, Escondido high for the 2nd. annual Cougar Automotive Showcase. The car show started right after the students were dismissed for the day.

All proceeds support the Automotive technology course for the students at the school. On site there were nice raffle prizes , music, and the students from the automotive class barbecued hotdogs from a modified car trunk turned into a bbq pit. 41 cars attended this time, last year maybe a dozen or so cars showed up. Five cars were awarded customs trophies made by the students as well. I was awarded the Best Of Show It was quite honor to have been selected by the staff and students of my ALMA MATER. GO COUGARS!

Charger Steve here - many of you have asked how you can help keep the Cajon Cruise alive! We have a 2 month run coming up in 2025 that starts on June 4th. Your donations help fund the events expenses. All donations are much appreciated! Let's show up each Wednesday for our 25th anniversary year. **REMEMBER:** Show cars are NOT allowed to show up until after 3pm on event days. Thank you

## Get Well Wishes

*Wishing Rich Correia a speedy recovery. Hoping you are up and about soon, we miss you!*

# Annual Coronado Motorcars

*Submitted by Wayne Hartwig*

On May 4, Motorcars on Mainstreet in Coronado was back for their annual Car Show. Linda and I were the only T5R/CCSD members attending this year, driving our black & silver '55 Chevy Belair convertible. We were also joined by CCSD member Marcia Amundson in her black '55 Chevy two-door sedan.

The show was pretty much the same as in previous years with goody bags, tee shirts and window placards being handed out from the registration tent as we drove in. Our window placard was yellow with the number 216 and classified as a 1955 Chevrolet in the Modified Convertible Class.

This year's weather was another one of those "not so good" days, cool with rain showers in the forecast. This show usually draws 350 plus entries but there were a lot of no shows because of the weather. There were, however, lots of pretty cars, a huge raffle and a live band. This show usually draws a huge number of spectators, but that number was down too until later in the day.

After we were parked, we went across the street to the Clayton's Coffee Shop, the last remaining Southern California horseshoe dining counter inside a 1940's Classic American Diner. They advertise the best homemade cookin', hand scooped milkshakes, fresh baked pies and sweets for everyone while listening to vintage tunes from 1940's Seeburg jukeboxes! We had a yummy breakfast of bacon, eggs, toast and biscuits & gravy before we made our way around the show area to see all the entrants, We also bought few raffle tickets for the 96 different raffle prizes donated by sponsors of the show.

Despite the rainy forecast, we only had a couple very short sprinkles during the day that required wiping down the car down. When we checked the raffle board, we saw that we had finally won our very first ever raffle prize at this show. It was \$50 gift certificate for Miguel's Cocina where we like to eat lunch when we're in Coronado. Later, we made our second win, a \$50 gift certificate for the Bluewater grill just down the street from the show. And finally, near the end of the drawing, we won our third raffle prize, a \$750 gift certificate for a two-day stay at the Glorietta Bay Inn. Looks like we'll be spending some time in Coronado.

Greg Roberts with a 1954 Hudson Hornet Hollywood was parked next to us. On one pass we made by our car, he told us the judges had just been there and that he was a winner. He also said the judge told him we were a winner. However, we never saw a judge and when it came time for the first place winners to park up front, we were never notified. Then a judge came by for the Hudson and he told us he would check. He came back a few minutes later and told us no, we're not a winner. We

were standing by the raffle booth a few minutes later when my phone rang, and another judge told me we were a winner and needed the car up front right away. In the end we were awarded the First Place award for Modified convertible and had a photo taken with John Duncan, Mayor of Coronado. A few awards later, Marcia Amundson was awarded a Second Place award by Mayor John Duncan for her black '55 Chevy two-door sedan. Congratulations Marcia!

# Calvary Vista Good News Cruise Car Show

*Submitted by Wayne Hartwig*

We received a flyer for the Calvary Vista Church “Good News Cruise” car show. This is another event we had not heard about prior, however, it was their seventh annual show. It happens in the Calvary Vista Church parking lot. We had no idea just how big of a show it would be. Linda & I decided to take in the show, and we arrived at the church around 7:30. A \$30 entry fee got us in. It was a bit of a smaller show with around 40 entries.

This was another less than ideal weather day, but it was a nice day for a car show with only clouds and no rain. They had five categories for judging and a people’s choice, Our car didn’t seem to fit in any of them, so they put us in the “Hot Rod” class.

Registration included a tee-shirt and a small goody bag. There was a raffle with quite a few nice prizes. Tickets were an arm’s length for \$20, so we bought in. There was a small flea market, a food truck, a DJ spinning some of our favorite tunes and a male vocalist that was very good singing songs from the 50’s and 60’s.

Because it was a relatively small show, we took our time looking at all the cars. When it was raffle time, we had another lucky day winning four nice prizes. We won a Levi purse, an expandable storage bin, a bucket of car cleaning products and a cool 20 inch stainless toolbox.

The rest of the day was spent mostly sitting by the car talking to people going by. Awards were at 1:30 pm and made our way up front where everyone was gathering to hear the announcement of the winners of the six awards. I don’t consider our car to be a hot rod as such, but we were winners of the “Best Hot Rod” award.

After the show, we went to San Marcos to Copper Kings Burgers where they say, “Life is too short for crappy burgers.” Burgers were ala carte at \$18, so along with tater tots and iced tea, we completely used up a \$50 gift card we won at a previous outing and enjoyed a very good lunch. After eating, we headed home and made it just before the rain started coming down again.

# ***Blast From The Past***

*Can you guess who this  
Revolutionary baby is?*

*If you have a Blast from the

*Congratulations  
Wayne Hartwig he guessed right away.*

# Bob's "What The Hell Is It?"

*A tool for those times a third leg would be handy.*

*Bob*

*Congratulations Sam Milazzo, he again guessed correctly, it is a pilot bearing puller.*
