REVOLUTION

Volume IV Issue 7

3 Big Perfect Days

We could hardly believe our good fortune, no rain at this year's Big 3 Swapmeet. After two cold and wet years we finally had three, yes all 3 beautiful days at this year's event. The place was packed with acres and acres of hot rods, street rods, customs and classics. Vintage cars of all years, some for display and some for sale along with parts that would fix whatever you have broken or need to replace. Bob needed bumpers for the "PTSNBM" and 2 beautifully chromed pieces made their way into our garage. This year T5Revolutionaries sold and shopped and just had a really fun time. Saturday's Bar-B-Que was wonderful, thanks to Wayne, Danny and Bob who took turns cooking the burgers and dogs to perfection. After a long day of shopping we headed to Pinnacle Peak in Santee for just a little more time together and some pretty yummy steaks and ribs. Good food, friends and classics, it just doesn't get much better than that.

HOW TO STAY YOUNG

1. Try everything twice. On one woman's tombstone she said she wanted this epitaph: "Tried everything twice. Loved it both times!"
2. Keep only cheerful friends. The grouches pull you down. (Keep this in mind if you are one of those grouches!)
3. Keep learning: Learn more about the computer, crafts, gardening, whatever... Never let the brain get idle. 'An idle mind is the devil's workshop.' And the devil's name is Alzheimer's!
4. Enjoy the simple things.
5. Laugh often, long and loud. Laugh until you gasp for breath. And if you have a friend who makes you laugh, spend lots and lots of time with HIM/HER.
6. The tears happen: Endure, grieve, and move on. The only person who is with us our entire life, is ourselves. LIVE while you are alive.
7. Surround yourself with what you love: whether it's family, pets, keepsakes, music, plants, hobbies, etc. Your home is your refuge.
8. Cherish your health: If it is good, preserve it. If it is unstable, improve it. If it is beyond what you can improve, get help.
9. Don't take guilt trips. Take a trip to the mall, even to the next county, to a foreign country, but NOT to where the guilt is.
10. Tell the people you love that you love them, at every opportunity. "I love you, my special friend!"
11. Forgive now those who made you cry. You might not get a second chance. Lost time can never be found. Be kinder than necessary, for everyone you meet is fighting some kind of battle.

"Life without God is like an unsharpened pencil - it has no point."
Billy Graham

Another In-N-Out Burger Run

I received an email from our good friend Patrick of Classic Chevys of Albuquerque, where he wrote "you sure go to the *In and Out Burger* a bunch." Well Patrick that's true but when you have our sunny California weather and someone else willing to put on a mini show, why not. It's a great central location for all our members to meet once a month, cruise in our classics, hang out, swap a few stories with each other and friends from other clubs. Not to mention a pretty good hamburger and fries. Last month we had absolutely perfect weather, and lots of hot rods to see. In-N-Out had non stop customers with no place for all of us to sit so we took ours To Go and ate by the cars, which was even better. We had a great showing with 10 members, 4 Tri-5's and 1 vette. Patrick if you are ever in our neck of the woods during an In-N-Out cruise be sure to join us. But not this month we will all be in Yuma at Midnight at the Oasis. So see we don't go all the time.

CARE CAR SHOW

GOIN' TO THE DOGS
IN SAN JUAN CAPISTRANO

by Ann Goldberg

The day before Super Bowl Sunday means different things to different people. For some it's a final shopping trip to stock up on beer, chips, dip and pretzels in preparation for the next day's big, season-ending football game. For Pat and Mike, Harvey and I, and other Southern California classic car enthusiasts, it's the San Juan Capistrano Rotary Club's annual CARE Car Show.

In the Goldberg household, it's also Sunny the Basset Hounds one opportunity each year to ride in Goldie, the Nomad, because at the CARE Show it's all goin' to the dogs, in the best possible sense of the phrase. Benefiting the Capistrano animal rescue effort, the CARE Show draws not only a wide array of classics, but dogs, their humans, and, as the final stop on a Rotary sponsored poker run, motorcycles.

Held on the grass, and this year with warm sunshine, the show comes complete with a source for breakfast and lunch, a beer garden, and lots of vendors. It's a great opportunity to catch up with car friends as we ease into a new show "season," and to enjoy cars we don't often see, including this year a flock of gull wings.

T5R YESTERDAY, TODAY & TOMORROW

Thank you to all the T5Revolutionaries who contributed to the Big 3 Bar-B-Que. Especially Wayne and Linda who provided the grill and to Danny and Claudia for keeping and eye on all our stuff.

We all had a wonderful time.

Get Well Wishes to Tom Geiman, we missed you and Nancy at the last meeting and past events.

Looking forward to our next event, Midnight at the Oasis.

Congratulations Pat & Mike who will soon be moving into their new home.

Mark your Calendar, next T5R Get Together/Meeting will be Thursday - March 15th, Coco's in Poway.

REVOLUTION RECIPES

Fruit Flip Flop

This recipe is from Vicki, who made this for Harvey and I during our recent visit to Florida. Great as a breakfast treat; or add a scoop of ice cream for a wonderful dessert.

Helen's Sweet Hot Mustard

From the Kitchen of Claudia Gayhart as served at the Big 3 Swapmeet with Pretzels

Brenda Wise's Friend

Place clean canning jars in a 200 deg oven.

Place jar lids in a hot water bath.

Bring to a boil in a large soup pot:

54-60 Banana Hot Peppers (chop fine in food processor)

4 C Yellow Mustard

4 C White Vinegar

6 C Sugar

Continue boiling, will form an 8"-9" foam.

Continue stirring till the foam is gone

Add thickener: (add to desired thickness)

Put 1½ C Flour and 1½ C Water in a jar with lid and shake

Boil 5-10 minutes more till thickened.

Pour mixture into warm jars, leaving ½" space below the jar rim.

Seal with lids and tighten lightly.

Lids will pop when canned.

4 ½ T unsalted butter

¾ c flour

¾ c sugar

1 ½ t baking powder

Pinch of salt

¾ c milk

1 ¼ t vanilla

1 ½ c sliced or diced fruit - fresh, thawed frozen or drained canned

8 oz cream cheese

Powdered sugar, for adding to the cream cheese and dusting

1. Cut the butter into chunks and toss into a deep 9" pie plate. Place in a 350 degree oven for 5-8 minutes, or until butter is melted. Meanwhile, whisk together dry ingredients in bowl. Add milk and vanilla and whisk until smooth.

2. Soften cream cheese in microwave on medium heat; stir in powdered sugar to taste.

3. Pour batter over the hot butter; top with the fruit; pour cream cheese mixture on top of all. Bake 45 minutes, or until top is browned and a toothpick poked into the center comes out clean. As they bake, the fruit pieces will sink to the bottom and form their own layer.

4. Cool 30 minutes; dust with powdered sugar. Serve slightly warm, straight from the dish.
