Good Guys 24th Meguiar's Del Mar Nationals

Submitted by Wayne Hartwig

2025 seems to be going by pretty fast, and it's already time for the Good Guys Meguiar's Del Mar Nationals. This year, Tom & Nancy Geiman and Jerry & Cappy Taylor along with Rick & Vicky McKeon brought their RV's to Del Mar and camped out in the RV Park part of the Fairgrounds for the entire show. It seemed to work out well and some of us are considering staying at the RV park next year.

For three of the last four years, we have had to deal with rain on one or two days of the show, but never on Saturday. This year once again it was raining Thursday morning with some pretty heavy showers, but the rain dissipated rather quickly and by 9 am it turned into a quite beautiful day. We decided to do the OTHG cruise, and we did it in our Little Brownie '55 Chevy Delray. When we arrived at the starting point, there was only a handful of cars. I'm sure the early day rains may have played a part in the low turnout. Jerry & Cappy Taylor did the cruise with us in their '56 Belair hardtop.

The cruise route was going to be the same as in prior years. We cruised south along the ocean by beautiful beaches before going down I-5 to Garnet and making our way up to Mt. Soledad for a brief stop. Then it was back down the hill to I-5 and to Garnet following back streets to the Malt Shop in Point Loma for lunch. The Geiman's arrived at Del Mar a bit too late for the start of the cruise, however, they joined us in their '55 Chevy Belair wagon at the Malt Shop for lunch. After a burger, fries and a chocolate malt it was time for the second half of the run. I think there were only four or five cars continuing with the group. Like so many others, we opted out and went back to Del Mar to get our goody bag. We spent the rest of the afternoon checking out vendors and indoor cars before playing a couple games of Five Crowns in the Geiman's RV.

Friday weather was beautiful. We arrived at 10 am and before long, we were meeting a lot of friends. Sam & Donna Rindskopf and Dana Stevens were there helping the Over the Hill Gang with parking assignments. Sam Milazzo was there with his '65 Chevelle, Jerry & Cappy Taylor were onsite with their '56 hardtop, Don Perkins showed up with his red '67 Corvette and Dave Ward made an appearance with his yellow '55 Chevy 210 sedan for the first time since we've known him. Dave's '55 had a fresh engine and a few other goodies and sounded pretty good as he cruised the main drag with Tom as his co-pilot. Lots of cars were on hand for a Friday, however it seemed like less outdoor vendors than usual. I was hoping to see Edelbrock and CPP there, but they were noticeably absent. By the end of the day, we had made our way through all the buildings and outdoor vendors, and we joined our RVing friends for a while before heading home.

Saturday weather was beautiful again. There were over 2,100 entries again this year and among them were numerous members of Tri-Five Revolution and Classic Chevys of San Diego, including Sam & Donna Rindskopf in their black '57 Nomad, Dana Stevens in her yellow & white '56 Nomad, Sam Milazzo in his '65 Chevelle, Don Perkins in his red '55 Nomad, Rod Hildebrand in his red '57 150 sedan, Tom & Nancy Geiman in their '55 Belair wagon, Jerry & Cappy Taylor in their orange & silver '56 Belair, Paul Palombo with his black '57 Chevy Hardtop, Marcia Amundson in her black '55 sedan, and of course Linda and me in our black & silver '55 Chevy convertible.

There were around 30 Tri-Fives in the corral, the most I've ever seen at this show. There were another 30 Tri-Fives in different locations around the grounds. You may recall last year when I saw a judge on a golf cart come around the corner into the Tri-Five Chevy row making a stop at a coral and gray '55 Nomad next to me, declaring it the Tri-Five pick without looking at any other car. It happened again this year with the judge stopping at a red & white '57 150 wagon next to me, declaring it as this year's Tri-Five Pick. It certainly wasn't the best choice as his hood wasn't open and it was not exactly pristine. At least 20 other cars would have been a better pick. Moving on now.

We worked our way through all the buildings and vendor displays again. Then we made a trip around the parking areas to see most of the outdoor entries. Around 2 pm, I got a text from Rod telling I needed to come to the car. When I got there, two Meguiar's representatives were there, and they told me they were picking the convertible for a "Meguiar's Magnificent Masterpiece" award. Since Meguiar's is the big sponsor for this show, I consider that to be a very prestigious award. Of course, that meant having to come back Sunday to display the car in the winner's circle, but we were going to be there anyway.

After looking at all the entries, we watched Autocross for a bit. This year, no Tesla's were allowed to compete. Gasoline powered cars just can't compete with them and a Tesla won "best time" every show over the last three years. I never heard why they eliminated them or why they weren't in a class of their own. Before long, Five o'clock came rolling around and with it, all of the buildings and vendors were closing up for the day. We went to visit our friends in the RV park again before heading home.

On Sunday, we arrived around 9 am and made our way to the winner's circle. We spent our time before the awards looking at all the other winners and making one more trip inside the buildings. This year, the route for the parade of winners didn't go through the tunnel under the grandstands. Instead, Main Street was closed off and the winners were paraded down Main Street for everyone to see before making a left turn into the awards area. One by one, winning cars made their way to the stage area where the announcer described each car, the award was presented, and photos were taken. This year, the previous style wood plaques were replaced with an oversized stamped metal 3D award that hangs on the wall. They are definitely cool! It was a fun day and by 3 pm, the area was emptying out fast. It is a really nice show overall and I'm sure we will be back again next year.

La Verne Cool Cruise Car Show 2025

Submitted by Wayne Hartwig

We recently saw a flyer for the 29th Annual La Verne Cool Cruise Car Show in Downtown La Verne on April 19th and it looked like it might be a nice event. This show was produced by the Flying Deuces Car Club, the same people who brought us the Brea Holiday Car Show last December, which was a really nice venue. This show was also advertised as a salute to Classic Cars, Street Rods, Muscle Cars, Trucks, Exotics, Sport Cars and Antiques. Proceeds benefit the La Verne K-9 Police Foundation. In case you're not familiar with La Verne, it's like going to the Pomona Fairplex and going about a mile north to Downtown La Verne. We decided to sign up.

This show had no online registration. Registration required entrants to mail a completed registration form with a check and a photo of the car to the event organizer. The entry fee was \$45 for general parking or \$65 for priority parking and included an event tee-shirt. Registration had to be received by April 1st. We decided to go for the priority parking and sent in our registration. The dash placard and show information came in the mail prior to the show.

The weather two days before the show was cold, cloudy, drizzly and windy, but the day of the show arrived with beautiful clear skies and temperatures in the mid 70's. We left home at 6:00 am and met up with Tom & Nancy Geiman, Tim Huizenga, and Jim & Tina Dickerson from the Drifters at I-15 and Clinton Keith Road, and made our way to La Verne, arriving about 8:15. The main show area was at 3rd and D Street and covered numerous blocks in all four directions. The show received more entries than expected and in fact, they oversold the parking, including the priority parking. We had to wait a few minutes while officials were deciding what to do. After a few minutes, they brought us back around to 3rd and D Street, where they parked us on the corner, which turned out to be the best possible parking spot for the show. The extra \$20 for priority parking was well worth it.

The show attracted over 520 entries, the most they have ever had. There was a DJ playing music, a raffle with a few not so interesting items and a 50/50 too. There were vendors, a donut shop, three restaurants and an Ice Cream store, all within a block. Just as with the Brea show, Judges from the Flying Deuces were walking around looking at each entry. Again, there were no specific categories, they just picked vehicles they liked. Awards were announced at 3:30 pm, and we were told there were 32 awards, and all 32 awards were labeled as "Best of Show." They announced winners in numerical order of their registration number. Jim & Tina Dickerson won an award for their 1939 Ford COE truck and our convertible was once again selected for one of those "Best of Show" plaques.

This was a nice venue with some very nice cars, but it is a long way from one end to the other to see them all. It's also a long show that would be better if they shortened it up and hour or so.

Tri-Five Messages, Info, News & Correspondence

1. The handsome Bel Air Convertible. 2. The versatile "Two-Ten" Hardtop. 3. The handsome Bel Air Sport Coupe.

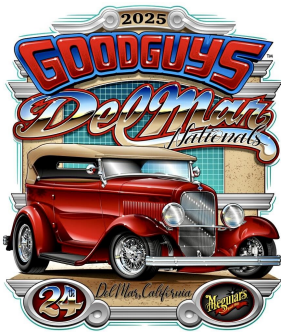

Which one of these Chevrolet sport models would you rather have fun with?

Are you the type that likes to have along the open road on a bright summer day, with nothing between you and the sky? Do you like the sound of an engine and a strong breeze? Do you like the feeling of an open road? If you do, you'll love the 1955 Chevrolet Sport Coupe. It's the only car that can give you all these things in one package. It's the only car that can give you all these things in one package. It's the only car that can give you all these things in one package.

STEALING THE THUNDER FROM THE HIGH-PRICED CARS... **motoromatic CHEVROLET**

When I was four years old, My Grandparents bought a new 1955 Chevrolet Belair 4-door sedan in Coral and Charcoal gray. My brothers, cousins and I rode in that car a lot back then. I remember thinking this was a really cool car and I have loved 1955 Chevrolets ever since. I also remember seeing ads in the Saturday Evening Post for new cars. This is an ad for the 1955 Chevrolet. I love the bottom part "STEALING THE THUNDER FROM THE HIGH-PRICED CARS!"

Thank You For Coming Out To The Show!

We at Goodguys Rod & Custom Association would like to express our gratitude for your support and participation in our 24th Meguiar's Del Mar Nationals presented by FiTech Fuel Injection. We had a

fantastic time in sunny SoCal, thanks in large part to the adrenaline-fueled action throughout the event. From the exciting racing at the AutoCross Racing Series CPP Duel in Del Mar Shootout, to treasure hunting in the swap meet, the Summit Racing Nitro Thunderfest shaking the asphalt, and Saturday Special Parking areas with a collection of beautiful vehicles, there was so much to see and do! Three impressive indoor displays including the PPG Lowrider Palace. We also enjoyed live music and seeing all the kids take in the Auto World Family Fun Zone and the model car Make and Take throughout the weekend.

We look forward to seeing you all again next year! Until then, check out some incredible photos from the past weekend and start planning your attendance for next spring. Keep cruising, everyone!

Sincerely,
Goodguys Rod & Custom Association

It's been two weeks since I hurt my ribs. Initially they told me no fractures, only severe bruising. I just received a message from Kaiser telling me my X-rays were formally read by a radiologist. It reveals a fracture of the 5th, 6th, and 7th ribs. I guess I now know why they hurt so bad. Wayne

EVERYONE IS ASKING WHEN THE CAJON CRUISE STARTS! AS OF THIS MOMENT THERE IS NO START DATE! BUT, I AM WORKING WITH THE BOARD MEMBERS TO COME UP WITH A DATE SOON. I AM EXPECTING TO KNOW WHAT THAT DATE WILL BE TOWARDS THE END OF THIS MONTH. . SO, STAY TUNED, I DO APOLOGIZE FOR THE DELAYS AND LACK OF DETAILS BUT WE ARE HOPEFUL FOR A MAY START DATE SO FEEL FREE TO MESSAGE ME IF YOU HAVE QUESTIONS. WE ALL APPRECIATE YOUR PATIENCE AND JUST KNOW THAT I AM WORKING ON THIS EVERY MINUTE OF EVERY DAY AND I APPRECIATE ALL OF YOU SO VERY MUCH! THANK YOU (PLEASE SHARE)

April T5R Meeting

For those of you who were not at the April meeting Kaminski's was very nice, good food, very friendly servers, OK meeting space. The consensus was we were not sure if this is the correct place for us and the committee is back to the drawing board. Big thank you to Joe Keller and Sam Milazzo for finding this for us.

Have you seen this movie?

submitted by Wayne Hartwig

We are just 100 days away from the 10th Tri-Five Nationals presented by CPP on August 7-9 in Bowling Green, Kentucky. The Tri-Five Nationals began in 2015 as a gathering of like-minded, passionate, fans of the greatest American cars ever produced: the 1955, 1956, and 1957 Chevrolets. The event was a great success from the start. It had the perfect combination of show cars, drag cars, vendors, and the most important ingredient: great people.

We are very proud that after 10 years the event is one of the largest in the country, and it is the commitment to the Tri-Five Chevy and those who love these cars that continue to make this event so special.

Thank you to all of those who make this event an annual pilgrimage to Bowling Green, Kentucky. I encourage you to tell a friend and bring them along with you so they too can experience all the fun, the sights, and the sounds of the 10th Tri-Five Nationals! We can't wait to see you in 100 days,

**Stylish Wagons
by Chevrolet!**

More and more people are joining the Station-Wagon set—and no wonder, with this spanking quartet of Motorama Chevrolet wagons to choose from! Beautifully styled inside and out and with space to spare . . . from

the luxurious Nomad to the rugged Handyman, an entirely new concept of stylish low-priced Station Wagons. See them at your Chevrolet dealer's, now . . . and sample their versatility in a demonstration drive!

THE NEW NOMAD—Long, low and very different—the car that rules the show at auto shows everywhere—the Nomad is the newest achievement of Chevrolet Station Wagon styling.

THE "TWO-TEN" HANDYMAN—At work or at play, this 2-door Station Wagon is a pleasure to look at—a joy to drive. Front-seat backs swing way up for easy access to rear seat and cargo area. Interior—even roof fittings—are of colorful, tough and easily washable vinyl.

THE BEL AIR BEAUFILLE—The stylish dash of the Bel Air sport series combines with utility in this sleek 4-door model. Only Chevrolet in the low-price field gives you "Sleep-Night" vision, floor and air-handling-to-shoulder windshields and curved rear quarter windows.

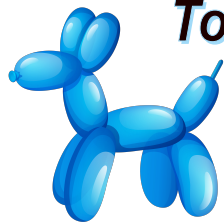

THE "TWO-TEN" TOWNSMAN—Rugged and handsome in every detail—because Chevrolet gives you something no other low-priced car can . . . Body by Fisher. Extra tough under the hood, too, your choice of two new "Blue-Flame" 6's or the surging new "Turbo-Fire V6."

THE "ONE-FIFTY" HANDYMAN—Like all Chevrolet Station Wagons, the 2-door boasts more load height than ever—fully ten extra inches, for both rear seat back and cushions fold into the floor. Glide. Ride front suspension and outrigger rear springs give new driving ease.

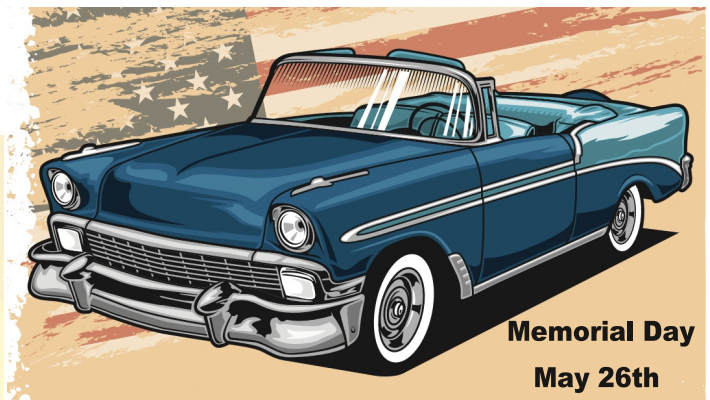

Sealing the thunder from the high-priced cars!

Creaky Lantern Games

<https://creakylantern.com/>

The Street Cleaner is back, and hot on the trail of his most mythical foe yet; but this time he's not alone! Return to the mean streets. Bash, kick, and whip your way to mete out retro action vigilante justice, and maybe save the world.
