TRI-FIVE NIGHT AT CRUISIN' GRAND

Wow! When you're looking for good times with great friends and great cars it doesn't get much better than this past weekend! Many thanks to Nancy and Tom for hosting our first T5R anniversary party on Friday and to Geiman Motors for hosting that evening's Cruisin' Grand festivities. And, to top off the weekend, one of our favorite shows of the year, Classic Chevys of San Diego's Picnic By the Bay. Harvey and I had a great time sharing both with you and missed those of you who weren't able to attend. Had a great trip, but it's good to be home!

of Cruisin' Grand

Classic Chevys of San Diego

On August 23, twelve Tri-5 members participated in the CCSD Picnic by the Bay. The site as usual is beautiful and the day was perfect. Our Tri-5 membership sponsored a number of trophies as we have in the past to help support our CCSD friends and their charity San Diego Hospice and Palliative Care. With 364 cars to select from it was no easy task to pick the winners.

Mike's Musings

After the International CCI Convention this year the e-mail traffic between Florida and the rest of the Classic Chevy community (via the State Reps) has been hot and heavy. I'll have some of the better responses for you at the next meeting.

We have some three weeks before the next meeting, please take some time and think about how this last year has gone for the Tri-Five Revolution and try and project how you envision things going this year and for at least the next couple of years. You can be as specific or as general as you would like, it's up to you.

In addition to the Classic Chevy Show in Bakersfield in October, we have the annual Car Show and 50's Rock Festival held at the Ramona Oaks Park in the San Diego Country Estates. It's Saturday September 19, 2009, starting at 5:00 and ending at 8:00. "The Stilettos" will provide the entertainment with the "Grill Sergeant" taking care of the cooking duties. We've been to this show several times and it's a very casual show on the grass, we always have a good time. You have to call Crystal Klopp at 760-789-3788X5034 to reserve a spot or e-mail her at crystal@sdeea.net.

Maybe we should try and do the Chicken Pie Diner one more time before summer is over, let's talk about it at the meeting.

Be Safe,

Mike Harvey

Driving I-40 West, at first pass we thought this was a junk yard. On closer inspection we found a collection of mostly Studebakers baking in the desert sun outside of Benson, AZ.

Congratulations Tom and Nancy !

The Geimans are finally moving into their new home in Valle Center. Another one of those car guys dreams; a long cement driveway, 2 flat acres, 3 garages - big enough to house 9 cars with a 2 post lift included, a nice size tool shed not to mention a pretty terrific looking house. We are all looking forward to our next car show in their front yard.

Street Rod Nationals Louisville, KY

by Harvey & Ann Goldberg

In Louisville, Kentucky, we parked by the side of the road joining quite a crowd of spectators watching cars leaving the Expo Center at the end of the first full day of the 40th Annual Street Rod Nationals.

Car count at the end of the day, 9,900 with a total of 12,000 entries anticipated prior to the August 9 end of the four-day show.

This is the last year the show will be street rod specific. Starting in 2010 the event will be open to all pre-1980 cars.

I read an article in Hot Rod Mag. about a car guy's bucket list. I thought it would be fun to see what my fellow club members would have in a Bucket List and what they have accomplished so far. So, here's mine what would you like to do and done so far?

Little Known Facts

- * In the 1400's a law was set forth in England that a man was allowed to beat his wife with a stick no thicker than his thumb. Hence we have "the rule of thumb"
 - * Many years ago in Scotland, a new game was invented. It was ruled "Gentlemen Only...Ladies Forbidden"...and thus the word GOLF entered into the English language.
 - * The first couple to be shown in bed together on prime time TV were Fred and Wilma Flintstone.
 - * Every day more money is printed for Monopoly than the U.S. Treasury.
 - * Men can read smaller print than women can; women can hear better.
 - * Coca-Cola was originally green.
 - * It is impossible to lick your elbow. (At least 75% of people who read this will try to lick their elbow !)
 - * The State with the highest percentage of people who walk to work: Alaska
 - * The percentage of Africa that is wilderness: 28% (now get this...)
 - * The percentage of North America that is wilderness: 38%
 - * The cost of raising a medium-size dog to the age of eleven: \$16,400
 - * The average number of people airborne over the U.S. in any given hour: 61,000
 - * Intelligent people have more zinc and copper in their hair.
 - * The first novel ever written on a typewriter: Tom Sawyer.
 - * The San Francisco Cable cars are the only mobile National Monuments.
 - * Each king in a deck of playing cards represents a great king from history: Spades - King David, Hearts - Charlemagne, Clubs - Alexander the Great, Diamonds - Julius Caesar
 - * $111,111,111 \times 111,111,111 = 12,345,678,987,654,321$
 - * If a statue in the park of a person on a horse has both front legs in the air, the person died in battle. If the horse has one front leg in the air the person died as a result of wounds received in battle. If the horse has all four legs on the ground, the person died of natural causes.
 - * Only two people signed the Declaration of Independence on July 4th, John Hancock and Charles Thomson. Most of the rest signed on August 2, but the last signature wasn't added until 5 years later.
 - * In Shakespeare's time, mattresses were secured on bed frames by ropes. When you pulled on the ropes the mattress tightened, making the bed firmer to sleep on. Hence the phrase.... "goodnight, sleep tight."
 - * It was the accepted practice in Babylon 4,000 years ago that for a month after the wedding, the bride's father would supply his son-in-law with all the mead he could drink. Mead is a honey beer and because their calendar was lunar based, this period was called the honey month, which we know today as the honeymoon.
 - * In English pubs, ale is ordered by pints and quarts... So in old England, when customers got unruly, the bartender would yell at them "Mind your pints and quarts, and settle down."
- It's where we get the phrase "mind your P's and Q's"
- * Many years ago in England, pub frequenters had a whistle baked into the rim, or handle, of their ceramic cups. When they needed a refill, they used the whistle to get some service. "Wet your whistle" is the phrase inspired by this practice

Message from the Rindskopf's

Hi All Tri-Fivers,

Just a quick note to let you know we went to Mariposa last weekend and visited our Nomad. We purchased some Caddy seats to reupholster for the interior of the Nomad. Sam has new pics and will write a story for October's newsletter. On another note we are on the road with the NCoCorvette Club heading for Boing Green, KY. We will tour the plant, museum and check out all the Corvettes. I have been taking lots of pics along the Route 66 drive. We are having a great time and I hope you are having fun too.

Take care and Have A Tail Waggin Day ! *Donna*
