

Another Check for My Car Show Bucket List

by Rod Hildebrand

August is Big Bear Fun Run time. Nancy and I have been to 7 of them in the last 10 years. It was cancelled in 2020 and 2021 because of COVID. Nancy and I decided we would go this year. On August 11 we met up with Wayne and Linda, Tom and Nancy, Bob and Ava and Dana at the Mobil Station park and ride lot at hwy 79 and 15 hwy at 10 am. From there it was off to the In and Out in Redlands for lunch and gas at the Chevron station

next door. We started up the hill to Big Bear. Our car got a little warm on the engine temp so I turned off the AC, much to Nancy's disappointment! Upon arriving at the hotel without any problems, the

Geimans and Dana rented a cabin and shared the cost. The rest of us stayed at the Best Western Hotel. We all took a short rest period. Then we walked to the Sizzler for dinner. There was not a place to play 5 crowns at our hotel. Nancy and I decided to call it a night. Friday morning we had a sit down breakfast as part of the cost of the room at our hotel. After breakfast we headed over to

registration to pick our goody bag, t-shirt, and mug, and find out where we would park. We were all parked together in a really good spot near all the vendors and registration. We then walked around

getting all the freebies from the vendor's. We also did some shopping around the downtown area. Also, Bob and Ava, Nancy and I decided to have lunch at the pizza and salad restaurant in the downtown area. The food was very good. Afterwards we decided to go to the Big Bear Zoo, which was about a mile from our hotel through a construction zone. It felt like it was uphill both ways, maybe because we were

7000 feet up. The new zoo was built about 2 years ago and has rescued animals mostly from the local area. One good thing on the way back

was a donut shop where we all got donuts, Bob and Ava got a yummy apple fritter. I needed a rest after all the walking I did. My phone said I walked 7 miles. But Bob and Ava and Nancy walked another mile to the Walgreens and CVS looking for Yahtzee game. But came back with an Uno Game Instead after losing a couple games it was off to bed for an early wake up.

After breakfast we were off to the Show and Shine like I've said before my 7th time here and I've never won anything; and they give out 70 awards so this show was on my bucket list to win an award. But after 6 years of not, I had no high expectations of winning. After cleaning the car and being parked next to Wayne and Lindas beautiful 55 convertible again, I was content to enjoy the show. Nancy kept telling me to clean out the trunk of the 57. So after a while I cleaned it out. Judging started at 10 am and the judges were all over Wayne and Lindas as usual. So I decided to walk around. When I got back, Nancy said a judge looked over the car and the last thing he did was look in the trunk. The weather had been good all weekend. Soon we

heard thunder and there were dark clouds coming over, so we all packed up the cars and decided to go to lunch. Bob and Ava, Nancy and I went to Jasper's BBQ one block away from where we were parked. Soon as we sat down and ordered the skies opened up and it poured. By the time we were done eating it had cleared out and it was back to the cars to wipe the rain

off. About that time the judges came back and to my surprise I had won an award, as well as Wayne and Linda and Dana! You don't know which award until the next day at the award ceremony. It was time to go back to the rooms and relax. In the meantime Bob had found a Yahtzee game. After 3 games it was time to go to bed. We had to be over to the ceremony at 7:30am to get lined up. They have a nice award ceremony where the cars drive up one at a time, while they talk about your car and the

award you are given. Dana was 1st in line and won the mayor's pick. Wayne and Linda were 5th in line and the Noel Blanc Bugs Bunny award. Noel is a long time resident and sponsors the show. He introduced himself to us earlier. We were 49th to get our award and to our surprise we won a top 20 award. Now my bucket list is complete on winning at Big Bear. After the awards were

over Bob and Ava, Nancy and I headed home. The trip home was not bad. It was a great weekend with great friends and to win up there just put the cherry on the top for me.

P.S. Nancy said, Could the win have been helped by a clean trunk?

BIG BEAR FUN RUN 2022

Submitted by Wayne Hartwig

The Big Bear Lake Antique Car Club (BBLACC) was founded in 1982 by a group of Big Bear Valley car enthusiasts who share a common interest in vintage cars, hot rods, classics and special interest vehicles. The Fun Run is the club's way of promoting their shared interests and to raise funds for local Big Bear Valley charities. The BBLACC is a non-profit organization, and their three-day Fun Run is a huge fundraiser for them. This year's show was the 31st annual show which typically draws 500 plus entries each year.

After a two-year hiatus due to the pandemic, the Big Bear Fun Run was back for 2022 and a few Tri-Five Revolutionaries were really looking forward to the trip to the mountains of Big Bear for this event. Five T5R classics met at the Park & Ride at I-15 and Hwy 76 at 10 am to make the long-anticipated trip to Big Bear. Linda and I were there with our black & silver '55 convertible, Bob & Ava Bishop were there with their '73 Camaro, Rod & Nancy Hildebrand came in their red '57 150 sedan, Dana Stevens was there with her yellow & white '56 Nomad, and Tom & Nancy Geiman had their blue flamed '55 hardtop. The trip went well caravanning up the I-15 to the Highland In & Out for lunch and the Chevron for a full tank of gas before winding our way up the grade to Big Bear. There was a little traffic congestion through Riverside, but other than that, it was pretty smooth cruising. After lunch, we made our way up Hwy 330, as Hwy 38 was still closed from a landslide a couple weeks ago triggered by some severe thunderstorms. As we made our way up over 7,000 feet in altitude, the temperature went down from 95 degrees in Highland to 75 degrees in Big Bear, making for much more comfortable conditions. We arrived at the Best Western Hotel with the Hildebrand's, and Bishop's, and were able to check in to our rooms right away. The Geiman's and Dana stayed in a local cabin. Once we were all settled in, we all had dinner at the Sizzler restaurant before calling it a day.

All the official Fun Run activity was held in the big parking lot on Bartlett Street and Friday was the first day of the show when we could pick up our registration packets. It was also when we would learn where our assigned parking spaces for the Saturday show would be. We were pleasantly surprised to see we would all park together in the first row behind the registration booth, a great location right next to all of the activity. There were vendors in the registration area and lots of stores all throughout the village where you could spend time shopping and dining. We all did a little shopping and

some of us had lunch at Amangela's Sandwich shop before heading out for the day. Linda and I went with the Geiman's and Dana to their cabin where we played a couple games of Five Crowns while the Hildebrand's and the Bishop's went to see the Big Bear Zoo.

Saturday is when the real show happens, and the Village is taken over by hundreds of collector cars parked almost everywhere a car can be parked. We all arrived by 8 am and parked our classics in our spaces. As time went by, we noticed there were quite a few spaces without a participant. I heard one of the judges say there were 76 no shows and it was probably due to the likelihood of thunderstorms in the weather forecast.

We were all doing final detailing of our cars so they would look their very best for the show. Before I could get the convertible completely ready for the show, judges were making their way through the parking lot looking at each and every car in great detail making notes on each one to aid them in making selections for each of the seventy awards that would be presented on Sunday morning. One of the judges recognized our convertible and Rod's '57 from the Cool Run to the Mountains last year and asked numerous questions about both cars, but he did not make any comments about awards. As the day went by, judges returned three more times looking at several cars in our row, but they were tight lipped about their thoughts. Even so, we were pretty sure there would be a winner or two in our group.

There were clouds in the sky off in the distance, and even though there was a 60% chance of a thunderstorm, it did not appear rain would be likely any time soon. We did some looking at other entries and went to lunch. By 12:30 pm, the skies started to look a little more ominous and an occasional raindrop was falling from the sky. We all decided to close up the cars in case it did rain, and it was a good thing, as a few minutes later, the skies opened up and heavy rain fell for about 45 minutes. People everywhere were scrambling to cover up their cars and take cover from the rain. Some climbed into their cars, while other looked for shelter in stores or under anything available to help stay dry. Linda and I were buying a few goodies from the candy store when the rain started, and we stayed there for a while. We eventually made our way across the street to Jack in the Box to meet up with the Geiman's and Dana until the storm passed. Tacos and a chocolate shake tasted mighty good while we waited out the storm.

Once the rain stopped, things started drying up quickly, and we all started wiping down our cars. It was then we heard winning car numbers were posted on the white board at the registration booth. We looked at the board and saw that Dana, Rod & Nancy, and Linda & I were award winners. Of course, they didn't tell us which awards we won. At that time, they asked for a commitment to be at the

awards ceremony on Sunday with the car and to fill out a form with information about the car that would be read during the awards presentation.

By then, it was getting close to 3:30, when cars started to line up for the Fun Run parade around Big Bear Lake. This is a great opportunity for everyone in Big Bear to find a location anywhere on the parade route to see and hear most of the cars in the show as they cruised by. The Bishop's and the Hildebrand's decided not to participate in the parade, but Dana and the Geiman's joined us to make the loop around the lake. By parade time, the streets had dried up completely and it was a nice parade. There were a lot of spectators, but perhaps not as many as at past shows. The rain may have scared some away. Too bad for them, they missed a great classic car parade.

After the Parade, we went back to the cabin for a couple more games of Five Crowns. We met some of the neighbors who were very interested in the cars, and we took the opportunity to chat with them and to take a few photos. Later, we went with the Geiman's to Thelma's Family Restaurant and Bakery for dinner before turning in for the night.

The Awards Ceremony was held Sunday morning at 9 am in the Bartlett parking lot. However, award winners were asked to be there at 7 am to line up in number order for the awards. The weather was good, with no rain in sight. Bleachers were set up for all spectators to see the winners as they were paraded one by one in front of the American flag backdrop.

After the playing of the National Anthem and a few minutes of thanking everyone that helped put on the show, the presentations of awards began. Dana won award number one, so she was the first to drive her classic in under the big flag to receive her award. That is when we learned Dana had won the Big Bear Mayor's Pick. Congratulations Dana! That was a nice win!

We had award number five. As we were directed under the flag to receive our award, the microphone was handed to Noel Blanc, son of Mel Blanc. You might remember Mel Blanc from Looney Tunes cartoons. Mel was in over five thousand cartoons and did over four hundred different voices for them. Mel passed away in 1989 at age 81 from complications of emphysema and coronary artery disease. His will specified that his gravestone read "THAT'S ALL FOLKS", the phrase with which Blanc's character, Porky Pig, concluded Warner Bros. cartoons. Noel Blanc worked closely with his father and was able to perform most of the voices of the

Looney Tune cartoon characters like Porky Pig, Tweety Bird, Bugs Bunny and the Tasmanian Devil. Noel is 83 and still resides in Big Bear. Every year at the Fun Run, Noel chooses the winner of four awards for these four characters. We won the "What's Up Doc?" "Bugs Bunny Pick." Yes, that seemed a little weird at first. But I understand that a Looney Tunes award picked by Noel Blanc is considered to be a prestigious award. By the way, did you know Bugs Bunny's real name is George Washington Bunny?

Rod & Nancy Hildebrand have been to Big Bear seven times and have never won an award. For some reason, their red '57 sedan has been overlooked every time. This year, their car finally caught the eyes of the judges, and they won award number 49, which was the first of the Top 20 awards. The top 20 awards recognize cars that did not win one of the specialty awards but deserve recognition of a beautifully built car. Congratulations Rod & Nancy! It's about time!

Soon after the awards were presented, the show was officially over, and we were all on our way down the hill and back to our homes. The Bishop's and the Hildebrand's left right away. The rest of us decided to have breakfast at Denny's before heading home. Since the 38 was still closed, there was a lot more traffic on the 330. There were a few miles of backed up traffic at the bottom of the hill, but the rest of the trip went quite well.

Wow, what a show! Every trip to the Big Bear Fun Run is different. You never know just how things are going to go, especially the weather. We always seem to stay in different places, and we always find different things to do and different ways to spend our time. We always see a lot of cars we have never seen before, and we always make new friends along the way. I think that is why we enjoy this show so much. This show was an awesome way to spend three days, despite the threat of thunderstorms in the area. Perhaps more of you will join us for next year's Fun Run. Good times guaranteed! See Ya!

"That's all folks!"

35th HOT AUGUST NIGHTS

First and foremost, I want to take this opportunity to thank all my Tri-Five Revolution Friends for all their thoughts and prayers during my recent open-heart surgery and recovery! I can't tell you how much it meant to me especially when I was suffering those setbacks. Thank you all from the bottom of my re-valved heart!

As most of you know Donna and I attend Hot August Nights (HAN) every year. Depending on who you ask we go primarily to visit our daughter Tasha and her family and attend HAN as a secondary objective. We registered for HAN 2022 in September 2021 not knowing what 2022 had in store for us. In February I was diagnosed with a leaky heart valve and in June I underwent surgery to replace it with a bovine valve. When you have a surgery like this you have some severe restrictions on what you can and can't do! As a result Donna and I agreed that taking the Nomad was a little risky since I would not be able to work on it if we had any car trouble. We set off for Reno in our Subaru Forester with me riding in the back seat and Donna driving. Riding in the back seat and not having to drive was certainly different! I got to share the back seat with our Golden Retriever Alexis, she's a big dog and she wasn't bashful about getting her share of that seat!

Once we got to Reno and settled in at Tasha's we made plans to pick up our credentials and goody bag the next day, unfortunately I had some issues with my heart and as a result Donna was on her own getting our registration stuff. She really didn't mind to terribly since they have lots of goodies available to purchase. She came home with HAN shirts for Tasha and her husband Misha. She couldn't get shirts for our 2 grandsons as they were all sold out, they were disappointed.

Wednesday evening it rained and hailed in Reno, we didn't hear of any show cars being damaged, but I am sure a lot of owners were worried. Thursday and Friday's forecast were for afternoon thunderstorms. With our grandsons Sage and Trey in tow, Donna and I decided to head to downtown Reno and check out the classics parked on Virginia Street. We got there and minutes later it started to rain. We headed for cover to wait out the storm. Most of the show cars packed it up and headed out. After several minutes and a quick check of the radar we realized this storm was not ending soon and in fact was intensifying. We headed back to Tasha's happy we weren't in the Nomad.

Saturday's forecast was for sunny weather so again we grabbed the grandsons and after a big breakfast at the Black Bear Diner headed for the Grand Sierra to check out the show cars there. The turnout like the weather was fantastic! The show car area was packed with classics and spectators. In fact, finding parking was a challenge. We saw a lot of cool rides and truly enjoyed the time with our grandsons. Of course, they had their favorite ride a bright red COE truck which grandpa failed to take a picture of. I did convince them to pose in front of a supercharged 57 Chevy pickup.

Sunday is the day for the HAN Closing Parade, Donna and I have never been spectators at the parade until this year. Usually Tasha, Misha, and the grandsons ride with us in the parade in our Nomad so this was also their first time watching the parade from the sidelines. We had a great time, and the grandsons had a blast snatching up candy thrown by people in the parade. All in all, it was a great trip even though we didn't have the Nomad. Given all the rain we had, I was kind of glad we didn't bring it.

Thank you to Sam and Donna for sharing

The weather was gorgeous which made it comfortable to hang out and enjoy the cool breeze under the shady trees. The count was over 127 hot rods, a pretty decent showing and a good showing of our classic cars. . . . **Dana Stevens**

Big thank you to The Big Bear Lake Antique Car Club for a great show. We know how much work an event of this caliber takes. All your hard work is much appreciated. Looking forward to next year!
